Re: Naming of the new elementary school in Cypress Waters

The Richard J. Lee family has a long and respected history in the Coppell ISD and the Coppell community. In 1983, Richard J. Lee Elementary opened in CISD and was named in the family's honor. Lee Elementary closed at the end of the 2007-2008 school year and was repurposed as New Tech High @ Coppell.

With the new elementary being built in the Cypress Waters area, we are respectfully requesting the CISD Board of Trustees name the new elementary school Richard J. Lee Elementary in the family's honor.
