David:

This letter serves as Putnam County CUSD #535 (the "District")'s timely response to your Illinois Freedom of Information Act ("FOIA") request sent on April 8th, 2025 for:

- A copy of purchase invoices for any recent paint purchases made by the school district to maintain or improve school district buildings or facilities (i.e., painting classrooms, cafeteria, gym, hallways, walls, structural steel, door frames, ceilings, concrete floors, swimming pools, etc.). I do not request information regarding paint purchases made to maintain non-building related property or projects (i.e., painting or maintaining cars, school buses, stripping athletic fields, art class projects, etc.).
- In addition, I request a list of painting, drywall finishing (taping drywall), or glazing projects (glass window, glass door, or related hardware installation) scheduled to start within the next twelve months. This request is specific to facility improvement, maintenance, or construction projects that include painting, drywall finishing, glazing projects or contracts planned as referenced above.

In response to your request, the District is providing the attached responsive documents. The District has no responsive records pertaining to other parts of the request; there are no scheduled projects for painting, drywall finishing, or glazing projects in the next twelve months.

Sincerely,

Clayton Theisinger
