Williams Elementary is proud to introduce our new Garden Coordinator Sherri Straubel. Sherri will be working with our classroom teachers to bring students out to the garden and introduce them to the joys and science of gardening and helping to teach students about bringing their "farm to the table"! Sherri is in need of your help! She is asking for parents and community volunteers to join a Garden Volunteer Committee. The Garden Committee will be responsible for helping with a garden website, newsletters, donations, and grant writing. Your input and help with these projects is greatly needed. If you are interested in being a part of our great school garden please contact Mindi at 541-846-7224 in the office or Sherri at [sherristraubel@gmail.com](mailto:sherristraubel@gmail.com)
