State Waiver Types - Attendance

This page includes information on state waivers for student attendance. District and campus officials can request waivers for excused absences or reduced attendance rates that are the result of inclement weather, health, safety-related, or other issues.

Low Attendance Days

Districts or campuses can request a waiver to excuse any instructional days from ADA and FSP funding calculations that have attendance at least 10 percentage points below the last school year's overall average attendance, for the district or applicable campus due to inclement weather, health, or safety-related issues. See *Student Attendance Accounting Handbook* 3.8.1.4. In the waiver, your district must attach supporting documentation of low attendance for the day (including the reason for the low attendance rate) and the prior year's attendance report (showing the average for the year) for your district or applicable campus.
