

January 30, 2023

Corrina Guardipee-Hall, Superintendent  
Browning Public Schools  
PO Box 610  
Browning, MT 59417

Dear Superintendent Guardipee-Hall:

The Division of Special Education has notified the Superintendent of Public Instruction that all compliance issues identified in the district's special education Field Issues Process dated July 18, 2022, have been appropriately addressed. We appreciated the opportunity to work with the district.

This letter is intended to verify the district's compliance with issues identified in the Field Issues Process and does not address compliance issues which are not specifically discussed in the letter.

If further technical assistance in addressing the provision of a free appropriate public education for students with disabilities is desired, please contact our office at 444-5661.

Sincerely,

*Danielle McCarthy*
