

## Hybrid Instruction During District-Scheduled Testing Days for K – 8th Grade Students Waiver

### SECTION I: Requirements

For students in Kindergarten through grade 8, districts may require students who are not scheduled to take an assessment to learn remotely on district-scheduled testing days in order to reduce the number of individuals on a campus at any one time and increase the number of remote students that come on campus to take the assessment.

This waiver applies for district-scheduled testing days of STAAR, TELPAS online assessments, PSAT-8, and ACT Aspire, and should be limited to a maximum of five days per administration. Districts should use other flexibility (e.g., extended windows) to ensure that this impacts the minimum number of students possible. Districts should have a communication plan in place to encourage as many remote students as possible to participate in the assessment.

All waivers will be conditionally approved upon receipt but may be subject to further review by TEA. In the event one of these testing days has already occurred, waivers can be submitted now and approvals can be granted retroactively.
