The Board shall approve the employment, and also, when not covered by the terms of a negotiated, collectively-bargained agreement, fix the compensation, and establish the term of employment for each professional staff member employed by the Board.

The temporary employment of professional staff members prior to approval by the Board is authorized when their employment is required to maintain continuity in the educational program. Employment shall be recommended to the Board at the next regular meeting.

No candidate for employment to the professional staff as a nonadministrator shall receive recommendation for such employment without having proffered visual evidence of proper certification or that application for such certification is in process, except under the following circumstances:

The Superintendent may hire an individual who does not hold a valid teaching certificate to serve in a counseling, social worker or speech pathologist role provided s/he meets all the requirements established by law. Policy 3120 and Policy 3121 shall apply with respect to that individual in the same manner required for employing a person with a teaching certificate.
- D. The Superintendent may employ noncertificated, substitutes to teach in an industrial technology education program or career and technical education program providing they meet all of the conditions established by law and by the Superintendent.

Prior to hiring an applicant, the Superintendent shall obtain from the applicant a signed Consent to Obtain Records (Form 3120 F2) and shall obtain from the applicant's current or immediately-previous employer any records, including the applicant's personnel file relating to unprofessional conduct in which the applicant engaged.
