

6:30 - Organization of Instruction

The School District has instructional levels for Early Childhood education through grade 8. The Superintendent shall annually present to the Board of Education a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program;
2. Maximize facility usage; and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a half-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law.
