Re: Lisle Junior High School, RTU Replacement Bids

Dear Mr. Wilkinson,

On Tuesday, March 18, 2025, a public bid opening was held for the Summer 2025 RTU Replacement project to include cafeteria and kitchen mechanical unit replacements, theater production area stair replacement, and associated work. There were (5) five bids submitted and opened. Attached is a tabulation of those bids.

Following the opening of the bids, Perkins&Will performed a post-bid review of the apparent lowest bidder for the project, F.E. Moran, Inc. After review of the bids and discussions with the apparent low bidder, it was determined that the bid from F.E. Moran, Inc. in the amount of \$936,778.00 and deductive alternate of (\$16,900.00) represents the lowest responsive and responsible bidder for the project.

Please do not hesitate to contact us should you have any questions or comments.

Sincerely,

Carl Giometti
Senior Project Architect
Perkins&Will
