**Item Summary:** Board Policy EFB Local governs the selection, acquisition, and management of library materials across the district. Librarians and other professional staff assist in developing the list of library materials following the Collection Development Goals and Selection Criteria as outlined in EFB Local.

All library materials, whether purchased or donated, must be publicly listed for at least 30 days and formally approved by the Board before being added to the collection. These procedures are not required for replacement materials with the same ISBN, additional copies with the same ISBN, or titles that have the same ISBN from an approved list previously reviewed.

Parents and community members have accessed the recommended list via the district website for review and provided feedback. That feedback will be made available to the Board to review prior to any action being taken. The Board shall consider the recommended list, and each Board member may propose changes before the Board takes action.
