Curriculum & Assessment

AK Star and PEAKS Science Testing

During the month of April, Alaskan students participate in computer-based summative assessments). All of our CHS freshman and sophomores completed the required state testing. These assessments are designed to measure student understanding of the skills and concepts outlined in the Alaska English Language Arts and Mathematics Standards and the Alaska Science Grade Level Expectations. This is the first year for AK Star, and the results will be baseline data.

Surf and Turf Survival Class

Seven CHS students are participating in a two-day Surf & Turf Survival class. They will be meeting at the Voc Tech center in Klawock and going to the beach to learn about how to stay alive and help others, building fires, wet and cold prevention, and more.

AASG

CHS has four students attending the Alaska Association for Student Government’s annual conference in Kodiak. Sam Bass and Rogan Hanson serve on the executive board, and Alissa Durgan and Alexis Lawnicki are attending as representatives of the CHS student council.

HOBY

Isabele Priddy and Tully Rice were selected as CHS representatives for HOBY (Hugh O'Brian Youth Leadership Seminar) after completing the application process. Sam Bass is also attending as a student liaison (he attended last year as a representative) The HOBY mission is to inspire and prepare future young leaders for a life dedicated to leadership, service, and innovation.

Activities & Happenings at CHS

Music Fest

We are proud to announce that our percussion ensemble earned a Superior rating at Music Fest in Juneau. They will be travelling to the state competition in Anchorage.

Spring Clean Up

On April 15th, the students of CHS headed out to clean up the community. They collected over 50 bags of trash along the highway and Hamilton Drive. Afterward, students were given an ice cream and pizza thank you. We are proud that our students were such willing participants in this endeavor and that they recognize the need to be responsible citizens.

Scholarship Night & Graduation

On May 25th at 6:30 pm in the high school auditorium, we will hold our scholarship award night. The CHS/PACE graduation ceremony will be held on May 26th at 7pm in the high school gymnasium. This year's graduation will be a traditional ceremony, and the community is invited to attend.

Track

CHS's first track team will travel to their first ever track meet in Ketchikan April 22. Coach Tina Steffen has 11 runners on the team.
