

Franklin Elementary

103 Country Club Road Hillsboro, TX 76645

October 2018 Board Report

Curriculum and Campus Updates

This month's thematic units will be about communities and farms. Throughout the month, the classes will discover ways to answer the unit's questions like: What can we do in our community? What kinds of communities do people live in? What kinds of machines help farmers? Why do farmers have animals? Pre-K's literacy skills will include a variety of engaging activities to help recognize upper and lowercase Ss, Ii, Pp, Jj, Dd, Kk, Cc, and Ff. Throughout the days, Pre-Kers will be introduced to and work with numerals 6, 7, 8, 9; colors purple, black, brown, and white. The students will begin simple addition to 4 and subtracting 1 to 4 objects from a set. We are making mathematicians!

Professional Development

Together Everyone Achieves More at Franklin Elementary! During our professional learning communities this month, we will focus on phonics, meeting with needs of students with autism, and restorative practices. We will collaborate with the Schlechty Center to bring our picture of success into fruition; Franklin Elementary School nurtures students in a calm, safe, caring environment so families, staff, and students positively interact as progress is made toward academic and social/emotional goals.
