Subject: Re: Donation

Dr. Hellrigel,

We have been fortunate enough to receive a \$10,000 donation from John and Sharon Amdall. The Amdall family visited our CTE programs in March and wanted to make a contribution to allow us to continue to improve our spaces. We will be using the money for Greenhouse and Woodshop updates. I kindly ask that the BOE approves the acceptance of this at the April meeting.

Thank you

Brad Welch
