Re: Athletic Director Report November, 2014

Homedale Board of Trustees,

Two out of three fall sports are complete and Football is still alive into the second round of the state playoffs. Winter sports are here as girls' basketball got going November 3rd with boys' basketball and wrestling just around the corner. The high school and middle school kicked off its Christmas tree fundraiser on November 3rd with over 270 student/athletes at the high school and middle school participating we are hoping to reach our goal of 600 trees sold by November 17th.

Volleyball Update-

Volleyball ended the season as the number 3 team in the SRV. They ended up winning the first round of the District tournament but lost the next two missing their shot at the state tournament. The Frosh/Soph team ended the season as SRV champions and the JV finished as SRV runners up. We were very happy with the progress that the Volleyball program made this past season and excited to see it progress further in the off season and into next fall.

Football Update-

Football finished the regular season on a two game win streak which left the varsity at 5-3 and 3-2 in SRV play. With the win this past weekend the Varsity extended its win streak to 3 games and overall record to 6-3. JV finished the season at 4-2 with a win against Parma. Payette was not able to field a JV team for the final game of the season. Had the JV played Marsing JV and Payette JV we feel very confident they would have finished with a 6-2 overall record.

Cross Country Update-

State Cross Country was this past weekend. Cross Country boys finished 7th place and the girls finished 9th. Cole Hungate was the only individual that received a medal (16th place) but we are very proud of the entire program for what they have accomplished in only their 2nd year back in action. Coach Ankeny has done a fantastic job building the program!

Winter Sports-

Girls Basketball- First Practice date is November 3rd.

Boys Basketball- First Practice date is November 14th.
