Fall 2025

ACADEMIC ACCOLADES / ELOGIOS ACADÉMICOS

MAP Math & Reading Scores

MAP (Measures of Academic Progress) is an adaptive online assessment that measures growth and achievement. Students take assessments in math, English reading, and Spanish reading (if applicable) three times a year. These benchmark assessments are aligned with the Illinois State Standards.

Students are recognized for Academic Accolades after Fall, Winter & Spring MAP testing.

Congratulations to all of our students who were recognized for Winter! We look forward to seeing your continued growth and success as we head into Winter MAP testing when we return from break!
