Re: EL Guided Reading Materials Recommendation

I am requesting to be placed on the agenda of the June 1, 2020 Curriculum Committee meeting to provide the Board of Education with a recommendation to purchase guided reading materials for our EL Classrooms. The attached quote is from Pioneer Valley Books, which is the same publisher for the guided reading materials we currently use in our K-4 general education and self-contained resource room classrooms. The Compass Collection is specifically for English Language Learners and is aligned to the WIDA framework and the Common Core State Standards.

The attached quote is for three sets of materials, including shipping and handling, for \$2,974.32. The publisher has provided a 10% discount for a savings of \$918.00.
