Purpose of Report

- The purpose of this item is to present the calendar proposal for consideration by our Board of Trustees.

Objectives

- Review calendar for start/end date, instructional minutes, scheduled holidays, and built-in PLC days.

Operational Impact

Current state law requires that school not begin prior to the fourth Monday in August. With acceptance of the proposed DOI plan, Denton ISD may pursue an exception to this legal requirement. Based upon current survey and feedback from EIC, Principals, City Council PTA and Executive Cabinet, the following considerations were made in developing these calendars:

- HB 2610 requirement of 75,600 instructional minutes.
- Ending the first semester prior to Winter Break.
- Equalizing the instructional days/minutes in each semester to the greatest extent possible.
- Maintaining a consistent holiday schedule with prior years and alignment of spring break with local universities.
- Potential waiver minutes of 2100 for professional development.
- Maximizing use of instructional minutes prior to state testing.
- Consideration of campuses being used as polling sites for the November 2020 Presidential Election.

Results

Input has been sought from district leadership, campus administrators, and the Educational Improvement Council, City PTA and currently from the Board of Trustees. Approving the 2020-2019 calendar will allow staff and parents time to plan activities for the next school year.

Other Options

Staff could be directed to develop a new calendar proposal for future consideration.
