\*\*\*Installation not included

## **Advantages of Tubular design- (All JW Bleachers are Tubular)**

1. Framework 2" x 2" x 3/16 tubular aluminum framing is stronger than angle frame design.
2. Seat plank is stronger than most manufacturers (2"x 10" x .085 wall thickness)
3. Easy to assemble due to frame strength and less cross braeing required.
4. Galvanized fasteners
5. Easy to clean under due to cross bracing design.
6. More options available- engraving, powder coating hand rails, seat planks, riser, wheel kits)
7. Long term is normally least expensive model.
8. 12 year warranty
