Board Agenda Item **Request**

AGENDA ITEM: Discussion/Action Item:

PURPOSE: Asst. Superintendent Follow Up

MEETING DATE: July 16th, 2025

PREPARED BY: Jake Massey

INFORMATIONAL SUMMARY:

In the June 25th board meeting I was asked to provide more information regarding the "[Fees Waived by School](#)" agenda item.

Per Policy [3440](#), it's required that the superintendent report annually to the board regarding fee schedules and fees waived.

We are in the process of compiling this annual report, inclusive of all of the required information, since the previous agenda item only included fees waived.

This report is not yet complete because information is needed from school bookkeepers. It was my judgement call to not require school bookkeepers to contribute to this report during their summer break. School bookkeepers will be back in the office in the beginning of August, and we expect to finalize the report at that time.

At this time the follow up is that the full report is forthcoming in August due to the need for school bookkeepers to be in the office to provide necessary information.
