## DISCLOSURE

Pricing for securities traded on the exchange is provided by third party sources. While sources used for pricing publicly traded securities are considered reliable, the prices displayed on your statement may or may not be based on actual trades, bid/ask information or vendor evaluations. As such, the prices displayed on your statement may or may not reflect actual trade prices you would receive in the current market. It is possible prices for certain securities may vary widely at the time of trade execution in comparison to valuation prices displayed for statement purposes. Securities not traded on an exchange are valued by a variety of sources, which may include issuer-provided or client-provided information. As such, the current statement will reflect the value of the asset based on its last known valuation which may not coincide with the statement reporting period. Argent Trust Company, or any of its affiliates, does not guarantee the accuracy, reliability, completeness or attainability of any pricing information provided by third party sources.
