RE: Contract Award Recommendation for Construction Bids
Hayes/Kennedy/Roosevelt Elementary Schools

Dear Ms. Abbey:

This letter transmits an update from Plante Moran Cresa (PMC) as it relates to the assignment to assist and advise Livonia Public Schools (LPS) in its selection of Prime Contractors for the Projects listed above. This update represents the mutual efforts of PMC, McCarthy & Smith, LPS administration and staff (the Bond Team) to present a framework in order to identify, evaluate and recommend Prime Contractors firms for this Project.

On January 12, 2015 Construction Documents were formally issued and made available. An advertisement for bids was published in a local newspaper and also posted to the required State of Michigan websites.

On February 4, 2015 182 bid proposals were received from 82 separate firms, and over the next several days were reviewed to determine the budget implications. Interviews were held over the next week and were attended by various members of the Bond Team.

Upon completion of the interviews, and after subsequent clarifications and discussions, the Bond Team is recommending the firms listed in McCarthy & Smith's Award Recommendation Letter dated February 26, 2015 for contract award. Including hard construction, CM fees and costs, and construction contingency dollars, the total Project award recommendation equals \$8,733,195.00. This also includes several Alternates as detailed in the letter.

For the Prime Contractors, the costs for this work will be detailed in AIA Contract A132 – 2009 Standard Form of Agreement between Owner and Contractor. The CM costs and fees will be detailed in Amendment #04 to AIA – C132 – 2009 Standard Form of Agreement between Owner and Construction Manager, both pending final review and approval by district legal counsel.

The Project Team is available at the Board's convenience to answer any questions regarding bidding, the proposals, interview process, or the recommendations of the Bond Team. Please direct all questions through me via email.

Sincerely,

PLANTE MORAN CRESA
