## *Update 77*

---

Coppell ISD

---

Your Localized Update 77 represents the second of two updates arising from the 79th regular legislative session as well as recent TEA rule changes. Key issues include conflict of interest, records management, DAEP teacher certification, local hearings rules, homebound instruction, and the optional flexible year program. The Update also reflects the Individuals with Disabilities Education Improvement Act (IDEA 2004), various state laws and regulations pertaining to “wellness,” and the federal “wellness policy” requirement (addressed further in a **Starting Points** policy development tool kit released, via MyTASB, on November 15).

Please bear in mind that the (LEGAL) policies reflect the ever-changing legal context for governance and management of the district. They should NOT be adopted but, rather, should inform local decision making. The (LOCAL) policy recommendations in this update will need close attention by both the administration and the board to ensure that they reflect the practices of the district and the intentions of the board. Board action is needed to adopt, revise, or repeal (LOCAL) policy.

To better focus board attention and expedite its review, your Localized Update 77 packet contains:

- ***Vantage Points—A Board Member’s Guide to Update 77***, copies of which may be found in the separately wrapped package accompanying this packet. ***Vantage Points*** offers a highly summarized overview of the update and is intended to provide local officials a first glance at the scope of the update—as a prelude to studying the detailed Explanatory Notes and policy text within the packet. **Please distribute *Vantage Points* to your board members** at the earliest possible opportunity, preferably with their review copies of this update.

- Your Localized Update, which includes:

**INSTRUCTIONS** . . . providing specific, policy-by-policy directions on how this update, if accepted as prepared, should be incorporated into your Localized Policy Manuals.

**EXPLANATORY NOTES** . . . summarizing changes in the policies in each code and how those changes affect your policy manual. Please note that, where appropriate, the Explanatory Notes ask you to **verify that a particular policy continues to reflect your current practice and to advise us of changes needed** so that our records and your manual accurately track the district’s actual practice.

Update 77 materials can be identified by the DATE ISSUED—11/29/2005—located in the lower left corner of each page. If you have any questions concerning this Update, please call your Policy Consultant/Analyst, Kaye Teaff, at 800-580-7529 or 512-467-0222.

## Regarding board action on Update 77 . . .

- Board action on Localized Update 77 must occur within a properly posted, open meeting of the board and may be addressed on the agenda posting as “Policy Update 77, affecting (LOCAL) policies (see attached list).” Using the Instruction Sheet as a guide, create and attach to the posting a list of the (LOCAL) policy codes **and the titles/subtitles of those policies**. BoardBook compilers should use “Policy Update 77, affecting (LOCAL) policies” as the agenda item and, as agenda sub-items, the code and name of each of the (LOCAL) policies affected by the update.
- An appropriate motion for board action on Localized Update 77 is as follows:  
  
*“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 77 [with the following changes:]”*
- The board’s action on Localized Update 77 must be reflected in board minutes. The Instruction Sheet—annotated to reflect any changes made by the board—and the Explanatory Notes for the update should be filed with the board minutes where they make up the authoritative historical record of your district’s manual. Also include in the historical record a copy of the replaced or rescinded (LOCAL) policies.
- **Notify your Policy Consultant/Analyst of any changes made by the board so that Policy Service records—forming the basis for these and subsequent updating recommendations—exactly mirror your manual.**

## Regarding manual maintenance and administrative regulations . . .

- The update should be incorporated into each of the district’s Localized Policy Manuals as soon as practicable. If the district uses *Policy On Line*, please notify us of the board’s action on Update 77 so this action may be reflected in your district’s Localized Policy Manual as it appears on TASB’s Web server. *Policy On Line* staff may be reached by phone (800–580–7529 or 512–467–0222), fax (512–467–3618; see the pink form enclosed), e-mail (pol-support@tasb.org), or Internet feedback form (<http://www.tasb.org/policy/pol/private/polfdbk.html>).
- Administrative procedures and documents—including formal (REGULATIONS), handbooks, and guides—that may be affected by Update 77 policy changes should be inspected and revised as needed. If the district routinely submits (REGULATIONS) to Policy Service for processing or desires that the updated (REGULATION) be included in the district’s *Policy On Line* manual, please submit these changes to your Policy Consultant/Analyst at your earliest convenience.

**PLEASE NOTE:** This Localized Update 77 packet and the Update 77 **Vantage Points** may not be considered as legal advice and are not intended as a substitute for the advice of the board’s own legal counsel.

## TASB Localized Policy Manual Update 77

District: Coppel ISD

ATTN (LOCAL)

Since your district is in the process of a Policy Review Seminar, we are enclosing only ONE COPY of the update materials, rather than the usual number of copies. Upon completion of the Policy Review Seminar, the Update 77 policies will be incorporated into your reprinted manual.

B (LEGAL) LOCAL DISTRICT GOVERNANCE

BBFA (ETHICS: CONFLICT OF INTEREST) has been split into two codes:

- BBFA: CONFLICT OF INTEREST DISCLOSURES
- BBFB: PROHIBITED PRACTICES

BBD (LEGAL) BOARD MEMBERS  
TRAINING AND ORIENTATION

As reflected at SPECIFIC OPEN MEETINGS TRAINING and SPECIFIC OPEN RECORDS TRAINING on page 3, SB 286 from the 79th regular session now requires board members and certain other elected or appointed public officials to complete training on Government Code Chapters 551 and 552, commonly referred to as the Texas Open Meetings Act and the Texas Public Information Act. The attorney general is charged with the responsibility of ensuring that training is made available. The Office of the Attorney General will both provide this training and approve alternative providers. Board members must complete the required training within 90 days of taking the oath of office; however, those who took the oath of office prior to January 1, 2006, have until January 1, 2007, to complete the training.

Under terms of the legislation, these courses will accrue board member training credit as well. The attorney general's office is currently developing video training that will fulfill these requirements; the video training is expected to be released in December 2005. Further information on the requirement and the attorney general's response to various questions regarding the training may be found at <http://www.oag.state.tx.us/agency/sb286info.shtml>.

**Please note:** Board members may delegate to a public information coordinator the SB 286–required open records training; however, the open meetings training is not delegable.

BBD (LOCAL) BOARD MEMBERS  
TRAINING AND ORIENTATION

SB 286, described above, also introduces into statute the term “public information coordinator.” Because the responsibilities of the public information coordinator are administrative in nature and usually fall within the purview of the superintendent, either directly or by delegation, we have developed language identifying the superintendent as the coordinator. The statement goes on to delegate, as permitted by the statute, the Government Code 552 training requirement that would otherwise reside with individual board members.

We have retained language from your current policy that identifies a range of training opportunities the board contemplates for its members. We have removed from the final paragraph of that section a reference to “acting as a Committee of the Whole.” Approval of board member training can readily occur within the usual structure of a board meeting without invoking this parliamentary device, more suited for large, formalized legislative bodies.

### TASB Localized Policy Manual Update 77

#### BBFA (LEGAL) ETHICS CONFLICT OF INTEREST DISCLOSURES

This policy has been revised structurally as well as substantively.

The increasing complexity of Texas's conflict of interest laws applicable to school districts has prompted the subdivision of this CONFLICT OF INTEREST policy into two separate codes:

- BBFA, focusing more narrowly on required disclosures
- BBFB, addressing specific prohibited practices

BBFA also reflects new provisions of HB 914 from the 79th regular session. That legislation expands the Local Government Code as follows:

- Under CONFLICTS DISCLOSURE STATEMENT, on page 3, are various circumstances that would require a local government officer to file with the district's records officer (generally the superintendent) on the form published by the Texas Ethics Commission a new "conflicts disclosure statement" required by the Local Government Code. This is separate and apart from the "substantial interest" affidavit required by Local Government Code Chapter 171 and the "interest in property" affidavit required by Government Code 553.003 (see page 4). Use of this disclosure statement is required as of January 1, 2006.
- A DEFINITION OF LOCAL GOVERNMENT OFFICER, encompassing the superintendent, also appears on page 3.
- At DEFINITION OF RECORDS ADMINISTRATOR is a list of persons who may perform that function: "the director, superintendent, or other person responsible for maintaining the records of the district." A cross-reference to CPC, where records management is addressed, has been added.
- INTERNET POSTING REQUIREMENT recites the obligation of the district to provide Internet access to the newly required conflicts disclosure statements and to vendor disclosure questionnaires that have been filed with the records administrator of the district.

#### BBFA (EXHIBIT) ETHICS CONFLICT OF INTEREST DISCLOSURES

Both exhibits have been revised for clarity:

- Exhibit A  
AFFIDAVIT DISCLOSING SUBSTANTIAL INTEREST IN A BUSINESS ENTITY OR REAL PROPERTY  
"Local public officials" are required to file (with "the official board recordkeeper") such an affidavit under Local Government Code 171.002.
- Exhibit B  
AFFIDAVIT DISCLOSING INTEREST IN PROPERTY  
Government Code 553.002-.003 requires "public servants" to file (with the county clerk) such an affidavit.

**Please note:** We have added to the cover page a text note referring board members and the superintendent—who are required to file ("with the records administrator" of the district) the conflicts disclosure statement required by Local Government Code 176.003-.004—to the new form promulgated by the Texas Ethics Commission, published on the commission's Web site at <http://www.ethics.state.tx.us>.

#### BBFB (LEGAL) ETHICS PROHIBITED PRACTICES

This policy presents material previously found in BBFA(LEGAL) dealing with specific violations of laws pertaining to ethics. These prohibitions were unaffected by the 79th regular session or other changes in the legal context.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

#### BDAF (LEGAL) OFFICERS AND OFFICIALS SELECTION AND DUTIES OF CHIEF TAX OFFICIALS

HB 898 from the 79th regular session and effective September 1, 2005, affects the tax assessor's duties. At item 2 under ASSESSOR, the text now reflects that the assessor shall "prepare and mail a tax bill to each person **and** [emphasis added] authorized agent, in whose name property is listed on the tax roll." Previously the tax assessor could send the bill to either party.

#### BDF (LEGAL) BOARD INTERNAL ORGANIZATION CITIZEN ADVISORY COMMITTEES

SB 42, from the 79th regular session and effective for the 2006–07 school year, expanded the health-related information that the district was previously required to make available for public inspection and newly requires the district to publish this information in the student handbook and on the district's Web site.

Districts must now adopt and publish policies ensuring that elementary, middle, and junior high school students engage in at least 30 minutes per school day (or 135 minutes per school week) of physical activity. Previous requirements include reporting the number of times during the preceding year that the school health advisory council has met, adopting district policies restricting student access to vending machines, and prescribing penalties for use of tobacco products by students and others on school campuses or at school-related activities.

The post-legislative supplement to the *TASB Model Student Handbook* provides further guidance on fulfilling this requirement.

#### CHE (LEGAL) PURCHASING AND ACQUISITION VENDOR RELATIONS

This new policy recites key HB 914 provisions regarding potential conflicts of interest between district officials and vendors. While policies BBFA and DBD speak to conflicts of interest involving officers and employees, respectively, CHE has been created to address newly required vendor disclosures. A vendor has seven business days (from the date it enters into contract discussions or negotiations with the district or submits an application, bid, or RFP response, etc.) to file with the district's records administrator the information on the questionnaire promulgated by the Texas Ethics Commission.

The legislation also allows the vendor to file the questionnaire electronically. District obligations include maintaining and making public a list of district officials who are subject to the filing requirement and publishing filed statements on the district's Web site.

#### CNA (LEGAL) TRANSPORTATION MANAGEMENT STUDENT TRANSPORTATION

At WIRELESS COMMUNICATION DEVICES, on page 4, may be found the SB 1257 ban on a bus driver using a cell phone or like device while driving when minors are on the bus. Exceptions are allowed for emergency communication or when the bus is not in motion.

#### CNB (LEGAL) TRANSPORTATION MANAGEMENT DISTRICT VEHICLES

On August 10, 2005, the federal highways reauthorization bill passed into law, and it has major implications for school district purchasing or leasing of 15-passenger vans.

Grandly styled the "Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users" or "SAFETEA," the law newly prohibits a district from purchasing or leasing a new 15-passenger van to be used

## Explanatory Notes

### TASB Localized Policy Manual Update 77

primarily for the transportation of students to or from school or school-related events **unless** the van fulfills federal standards for school buses and multi-functional school activity buses. This requirement is found at NEW VAN PURCHASES OR LEASES and applies to purchases or leases initiated after August 10, 2005. The law does not apply to the purchase of used vehicles in the resale market.

Although not recited here, the law includes civil penalties for violations: a maximum of \$10,000 per vehicle (accumulating to a maximum of \$15 million for a series of violations by a single district).

#### CPC (LOCAL) OFFICE MANAGEMENT RECORDS MANAGEMENT

Legislative action, beginning in 1989 and continuing through the last regular session, has expanded the vocabulary of records management to include four roles:

- Records Management Officer (a Local Government Code provision from the 1989 legislative session)
- Records Administrator (added to the Local Government Code by HB 914 in the 2005 legislative session)
- Officer for Public Information (a Government Code provision arising from the 1993 legislative session)
- Public Information Coordinator (added to the Government Code by SB 286 in the 2005 legislative session)

Each is essentially an administrative function under the supervision of the superintendent. We have developed this listing to assist users of the manual in connecting the “dots” to their statutory context. While the requirement to inform the Texas State Library of the name of the district’s records management officer remains in effect, the need to address it in local policy was tied to the initial implementation of the 1989 legislation. Therefore, we have deleted it from this text.

These four statutory titles may present some confusion if the district has used these or similar titles—such as “Public Information Officer”—for administrative positions whose functions do not encompass those associated with these titles by the above statutes. As a practical matter, we suggest that the district retitle otherwise “name-alike” administrative positions.

#### CRD (LEGAL) INSURANCE AND ANNUITIES MANAGEMENT HEALTH AND LIFE INSURANCE

An Insurance Code stipulation that districts not participating in TRS Active Care provide employees a “plan disclosure statement” has been deleted. TASB attorneys have determined that this provision does not apply to school districts meeting the “substantive coverage requirement” specified by the Insurance Code and mandated by Education Code 22.004(b), recited at GROUP HEALTH BENEFITS on page 1.

#### DAB (LOCAL) EMPLOYMENT OBJECTIVES OBJECTIVE CRITERIA FOR PERSONNEL DECISIONS

Recently, in pursuing a complaint against a district, the U.S. Department of Justice objected to “suitability for the position” previously listed in this policy because, in the view of the department, it was subjective and could be misapplied to result in a discriminatory action prohibited by federal law (based on gender, age, etc.). Consequently, we have deleted this item entirely. In addition, item 5, previously “evaluations,” has been broadened to read “appraisals and other performance evaluations.”

These six criteria are intended to comport with Civil Order 5281, which has required since 1971 that each district have a list of objective criteria, not related to race or ethnicity, by which it will make decisions regarding employee assignment, demotion, reassignment, or dismissal and by which it will judge applicants. The full text of the order may be found at <http://www.tea.state.tx.us/eeo/5281.html>.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

#### DBA (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CREDENTIALS AND RECORDS

For a more complete representation of the legal context within which districts must operate, we have added at PROFESSIONAL PERSONNEL CREDENTIALS a long-standing Education Code requirement for valid certification before an educator can be compensated for work done.

#### DBA (LOCAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CREDENTIALS AND RECORDS

Guidance offered by TEA's Division of NCLB Program Coordination suggests that the home campus teacher of a student assigned to a disciplinary alternative education program (DAEP) can be considered the "teacher of record" for purposes of determining if the student is being instructed by a "highly qualified" teacher under the NCLBA. For this to hold true, however, (LOCAL) policy must provide for the following:

- The home campus teacher assigns and evaluates all student coursework;
- The student will receive substantially the same coursework and be subject to the same grading standards as other students on the home campus who are enrolled in the course;
- The home campus teacher has final authority to assign a grade for completed coursework and the final grade for the course;
- The home campus teacher is available on a regular basis to the student and to the DAEP teacher for face-to-face consultation; and
- The DAEP teacher meets all applicable SBEC certification requirements.

The enclosed (LOCAL) policy has been revised to reflect these TEA-defined criteria. If these conditions are met and if the home campus teacher meets NCLB requirements as "highly qualified," parental notification is not required.

We have retained, at UPDATING CREDENTIALS, an existing policy provision previously applicable only to professional employees but now extended to all employees. This broadened language would, of course, include paraprofessionals required to maintain NCLB "highly qualified" status. We have deleted a previous statement addressing the timeline for teachers employed on emergency permits; this is more appropriately addressed in the employee's contract. TASB's Model Employee Contracts, published by TASB Human Resource Services, address this requirement in the "Certification Addendum" for educator contracts. The model contracts are available to HR Services subscribers via MyTASB at [https://www.tasb.org/docs-mytab/gov\\_svcs/human\\_rsc\\_svcs/memlib/memlibfiles/c\\_models.pdf.cfm](https://www.tasb.org/docs-mytab/gov_svcs/human_rsc_svcs/memlib/memlibfiles/c_models.pdf.cfm).

Other changes are as follows:

- A new CONTRACT PERSONNEL section charges the superintendent with ensuring that a contract employee holds valid credentials before a contract is issued.
- We have deleted a RECORDS statement referencing maintenance of records "in accordance with law and local administrative requirements." Maintenance and retention of personnel records should be addressed within the district's records management plan, as required by the Local Government Code. [See CPC]

#### DBD (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CONFLICT OF INTEREST

This policy has been revised structurally as well as substantively to clarify the conflict-of-interest standards applicable to employees and to incorporate the enactment of HB 914 from the 79th regular session. Of note:

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- Presented first in the policy are specific violations of Penal Code and Education Code provisions pertaining to ethics. These prohibitions were unaffected by the 79th regular session.
- On page 3 appears the long-standing Texas Constitutional prohibition against a person's holding more than one civil office of emolument, subject to noted exceptions.
- Also on page 3 appears provisions of Local Government Code 176.005—added by HB 914—that allow the board to extend to all or certain employees a CONFLICTS DISCLOSURE STATEMENT and to take disciplinary action against an employee who violates the requirement. As noted at BBFA(LEGAL), board members and superintendents are required to file such disclosures. At CHE(LEGAL), vendors are required to file questionnaires explaining their relationships with district officials. These disclosure requirements take effect on January 1, 2006.

#### DBD (LOCAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CONFLICT OF INTEREST

Your current policy describes two kinds of conflict-of-interest disclosures:

- A broad, locally imposed standard that requires employees to disclose to their supervisors any potential conflict of interest with the proper discharge of responsibility or with the best interest of the district.
- A more narrowly defined “substantial interest” standard that obligates certain employees with such an interest—as defined by law—in real property or a business entity to file with the superintendent, the board president, or a designee an affidavit. This mirrors the Local Government Code requirement long in place for local public officials and applicable to board members.

HB 914 complicates this picture by introducing an additional disclosure—applicable to the superintendent and the board but which the board might require of other employees as well. As described at BBFA(LEGAL) and DBD(LEGAL), this new standard mandates filing with the district's records administrator a conflicts disclosure statement (on a form developed by the Texas Ethics Commission) if a vendor with whom the district is doing business or considering doing business:

- has an employment relationship—or other business relationship—with the district employee or a member of his or her family;
- has provided the district employee or family member taxable income; or
- has provided the district employee or family member one or more gifts—apart from food, lodging, transportation, or entertainment—having a 12-month aggregate value of more than \$250.

This new disclosure standard prompts our revision of the SPECIFIC DISCLOSURES provision to clarify that your existing policy imposes the broad GENERAL STANDARD and the “substantial interest” standard that requires an affidavit of disclosure . . . but **not** the HB 914 standard that requires a conflicts disclosure statement [as described in BBFA and DBD(LEGAL)].

If your district desires to extend the HB 914 standard to employees other than the superintendent, it may do so for specific employees or for all employees. Please contact your Policy Consultant/Analyst for appropriate policy language.

For clarity, we have added a section pertaining to the AFFIDAVIT DISCLOSING INTEREST IN PROPERTY. According to Government Code 553.002, district “officers” and board candidates are subject to this requirement.

#### DBD (EXHIBIT) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CONFLICT OF INTEREST

We recommend the addition of these conflict of interest affidavits to your localized policy manual so that they are readily accessible to employees who are obligated by DBD(LOCAL) to file such affidavits.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- Exhibit A

#### AFFIDAVIT DISCLOSING SUBSTANTIAL INTEREST IN A BUSINESS ENTITY OR REAL PROPERTY

Your district's DBD(LOCAL) extends to certain employees the Local Government Code 171.002 requirement that "local public officials" file such a disclosure statement. The completed form should be timely filed with the superintendent, board president, or designee. [The form for board member use is at BBFA(EXHIBIT).]

- Exhibit B

#### AFFIDAVIT DISCLOSING INTEREST IN PROPERTY

Government Code 553.002–.003 requires "public servants" to timely file—with the county clerk(s)—such a disclosure. This form is specifically for the superintendent's use. [The form for board member use is at BBFA(EXHIBIT).]

On the cover page to these exhibits, we have appended a note referring employees required to file the "conflicts disclosure statement" to the Texas Ethics Commission's Web site: <http://www.ethics.state.tx.us>. As explained at DBD(LEGAL), Local Government Code 176.003–.004 requires the superintendent and board members to file such disclosures and permits the board, by local policy, to extend this particular requirement to other employees as well.

#### DFD (LEGAL) TERMINATION OF CONTRACT HEARINGS BEFORE HEARING EXAMINER

At RECORD OF PROCEEDINGS, on page 4, appears an excerpt from TEA rules adopted in July 2004 and addressing what constitutes a "record" for a Chapter 21 appeal before an independent hearing examiner (IHE), a subcommittee of the board, or the board.

The record upon which the commissioner of education shall decide an appeal must include:

- transcripts of local proceedings
- all evidence admitted
- all offers of proof
- all written pleadings, motions, and intermediate rulings
- a description of matters officially noticed
- the recommendation of the IHE, if applicable
- the transcript of the oral argument before the board or board subcommittee
- the decision rendered by the board or board subcommittee
- the board or board subcommittee's written reasons for changing the IHE's recommendation, if applicable

These rules replaced previous hearing rules, adopted in 1993, when hearings were *de novo*. The rules were updated in July 2004 to reflect the fact that appeals are now conducted on the basis of a review of the substantial evidence as presented by the record.

#### DFE (LOCAL) TERMINATION OF CONTRACT RESIGNATION

We have extensively revised this policy to clarify who has authority to accept resignations and in what circumstances.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

At AT–WILL EMPLOYEES we have added text clarifying that the superintendent or designee has authority to accept such resignations at any time.

At CONTRACT EMPLOYEES, new text establishes that:

- Before the school year starts, the superintendent or designee may accept a contract employee's resignation, but if the resignation is submitted after the penalty-free resignation date established by Education Code 21.105(a) and 21.210(a), the acceptance is contingent on finding a suitable replacement.
- After the school year starts, the superintendent or designee may accept the resignation or refer it to the board to pursue SBEC sanctions. If the superintendent accepts the resignation, the board loses the option to pursue sanctions. If the board wishes to require all mid-year resignations to be brought before the board, please contact your Policy Consultant/Analyst.
- Effective at the end of the school year, the superintendent or designee is authorized to accept the resignation.
- The resignation of a contract employee may not be withdrawn without the consent of the board.

#### DGBA (LEGAL) PERSONNEL–MANAGEMENT RELATIONS EMPLOYEE COMPLAINTS/GRIEVANCES

RECORD OF PROCEEDINGS, on page 3, has been amended to include an excerpt from TEA rules adopted in July 2004 and addressing what constitutes a “record” for appeals brought under Education Code 7.057.

The record upon which the commissioner of education decides an appeal must include:

- acceptable tape recordings or transcripts of the local hearing
- all evidence admitted
- all offers of proof
- all written pleadings, motions, and intermediate rulings
- a description of matters officially noticed
- the recommendation of the independent hearing examiner, if applicable
- the tape or transcript of the oral argument before the board
- the decision rendered by the board

These rules replaced previous hearing rules, adopted in 1993, when hearings were *de novo*. The rules were updated in July 2004 to reflect the fact that appeals are now conducted on the basis of a review of the substantial evidence as presented by the record.

#### DIA (LEGAL) EMPLOYEE WELFARE FREEDOM FROM HARASSMENT

The section HARASSMENT OF EMPLOYEES newly includes two standards of current law. The first is drawn from federal regulations and states, “Harassment on the basis of a protected characteristic is a violation of the federal anti-discrimination laws”; the second is drawn from case law and states, “Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment.”

#### E (LEGAL) INSTRUCTION

We have revised the E Section table of contents as follows:

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- EEH—a new policy code for HOMEBOUND INSTRUCTION.
- EHBAD—redesignated to address SPECIAL EDUCATION: TRANSITION SERVICES.
- EHBAE—a new policy code for SPECIAL EDUCATION: PROCEDURAL REQUIREMENTS (previously addressed at EHBAD).

#### EEH (LOCAL) INSTRUCTIONAL ARRANGEMENTS HOMEBOUND INSTRUCTION

TEA's 2005–2006 Student Attendance Accounting Handbook states that to qualify for funding for homebound instruction, "the school district must have a policy and procedures approved by the local school board for implementation of general education homebound instruction." Further information about homebound instruction requirements may be found on pages 26–34 of the handbook, which is available at <http://www.tea.state.tx.us/peims/handbook/0506hand.doc>.

We have drafted the enclosed language to fulfill that policy requirement.

#### EFAA (LOCAL) INSTRUCTIONAL MATERIALS SELECTION AND ADOPTION TEXTBOOK SELECTION AND ADOPTION

This policy—required by the Texas Administrative Code [19 TAC 66.104(a)]—has been lightly edited to remove an unnecessarily limiting provision regarding the number of professional staff members serving on the local textbook review/selection committee and to remove the redundant April 1 deadline. This deadline (for the district to transmit to TEA a listing of instructional materials selected for use in the district) is prescribed by 19 TAC 66.104(g) and is recited in EFAA(LEGAL).

#### EHAA (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ALL LEVELS)

Under ENRICHMENT CURRICULUM, on page 1, item 2b has been adjusted to reflect the language of SB 42 from the 79th regular session: the health component of the enrichment curriculum has been restated to include "emphasis on the importance of proper nutrition and exercise."

At STEROID NOTICE AND EDUCATION, on page 4, provisions of Education Code 38.008 (enacted in 1995) and Education Code 38.0081(b) (from the 79th regular legislative session) are added to this policy. The former provision requires posting of notices in gyms and classes where secondary physical education is conducted; the specific language of the notice is found at FNCF(EXHIBIT) in localized policy manuals. The latter provision is the result of HB 3563, which ordered the State Board of Education to identify grade levels where students participating in extracurricular activities are to be provided TEA-developed information regarding steroid use and health risks.

**Please note:** The State Board has not yet specified which grade levels are implicated. TEA and the Texas Department of State Health Services have developed the required information, available at <http://www.tea.state.tx.us/taa/comm042605.pdf>; in the transmittal letter for the information, Commissioner of Education Shirley Neeley and Commissioner of Health Eduardo Sanchez encouraged districts to share this information with students, parents, and staff.

Not reflected in EHAA(LEGAL) is a further HB 3563 requirement: the University Interscholastic League is ordered to adopt rules prohibiting a student from participating in an athletic competition sponsored or sanctioned by the League unless the student agrees not to use steroids and the parent acknowledges in writing the statements that are found in the FNCF(EXHIBIT).

UIL is also required to:

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- develop an education program—before September 1, 2005—for students participating in UIL athletic activities and for their parents and coaches regarding the health effects of steroid use.
- make the program available to districts.
- work with public or private entities to study the effectiveness of the program.

During the 2005–06 school year, UIL must measure the extent of illegal steroid use by high school students and the number of districts that test high school students for illegal steroids. UIL is further charged with the responsibility of developing a plan for testing students engaged in UIL athletic activities for illegal steroids.

Finally, UIL must file a written report with the Legislature—not later than December 1, 2006—regarding the use survey, the effectiveness study of educational programs, and the testing plan. The bill directly states that, if the Legislature is not satisfied that the educational program has significantly reduced student use of illegal steroids, it may require UIL to implement the testing plan (and authorizes UIL to raise membership fees to pay for the testing).

#### EHBA (LEGAL) SPECIAL PROGRAMS SPECIAL EDUCATION

On December 3, 2004, President Bush signed into law the Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004). These changes became effective July 1, 2005, with compliance staged or dependent on state action and final regulations still in progress. Key provisions of the new federal legislation are as follows:

- Teacher qualifications [addressed at DBD(LEGAL) in Update 75]
  - A special education teacher who teaches any of the core academic subjects—English, reading, language arts, mathematics, science, foreign language, civics and government, economics, arts, history, or geography—at the elementary level is “highly qualified” if he or she has special education certification in addition to meeting the general requirements for being “highly qualified.”
  - Additional requirements apply to special education teachers who teach “alternative achievement standards” or who teach two or more core academic subjects exclusively to special education students. New special education teachers must be “highly qualified” in at least one of the following core academic subjects when hired—math, language arts, or science—and will be permitted two years to become “highly qualified” in any other core academic subjects taught.
- Due process [addressed at EHBAB in this update]
  - Complainants must now give notice of all issues prior to a hearing or the complainant risks not having the issues addressed during the hearing.
  - Parents must bring complaints to the district’s attention and attempt resolution before a due process hearing is conducted. A meeting to attempt to resolve the complaint must occur with the complainant within 15 days before a due process hearing.
  - State-funded mediation by a qualified and impartial mediator is permitted.
  - Due process decisions are now to be based on provisions of FAPE (Free Appropriate Public Education), not procedure.
  - A two-year statute of limitations is imposed for complaints.
- Individualized education programs (IEPs) and paperwork reduction [addressed at EHBAB in this update]
  - Fifteen (as yet unnamed) states will pilot a demonstration program identifying ways to reduce paperwork and other administrative duties (including the option to develop multi-year IEPs up to three years).

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- Any IEP team member may be excused from attending a team meeting if agreed upon by both the parent and a district official.
- Changes to an IEP after the annual IEP meeting may be made without reconvening the team, provided the parent and district official agree and develop a written document to amend or modify the IEP.
- Student discipline [addressed at FOF in this update]
  - A district may now, on a case-by-case basis, determine if the student should be removed from class for misconduct and placed in an alternative setting, pending the manifestation determination.
  - During an appeal, a student may remain in the alternative placement pending an expedited hearing. The burden of proof no longer rests solely with the district.

These significant changes prompted TASB attorneys to re-evaluate the scope and level of detail of the (LEGAL) policies in the EHBA series—where programmatic aspects are presented—and at FOF—where discipline of students with disabilities is addressed. The result of that initiative is a substantial redevelopment of each of these policies.

EHBA(LEGAL) remains the gateway policy and addresses the rights of students with disabilities to a Free Appropriate Public Education. The controlling concept of this policy is to provide an overview of the essential foundations of special education: nondiscrimination, provision of special education, least restrictive environment, and the concept of and entitlement to a Free Appropriate Public Education. While much material previously at this policy has been recoded elsewhere in the EHBA series, PLACEMENT OPTIONS, found on page 2, is newly included from state regulations last revised in September 2000.

**Please note:** The U.S. Department of Education is currently reviewing new and old statute, regulations, and policy letters as well as public input, to identify areas of IDEA 2004 that need to be addressed by new regulations. Until those regulations are enacted, regulations implementing IDEA 1997 remain in force (to the extent that they are consistent with IDEA 2004). Further information on IDEA 2004 is available at <http://www.ed.gov/policy/speced/guid/idea/idea2004.html>.

#### EHBAA (LEGAL) SPECIAL EDUCATION IDENTIFICATION, EVALUATION, AND ELIGIBILITY

EHBAA(LEGAL) has been reorganized to present a more logical flow of information, and additional provisions have been incorporated from federal statute and regulations where appropriate. In addition, the language has been refined to more closely track statute, and detail unnecessary for local governance and management purposes has been deleted.

Of note:

- At CHILD FIND, “children who are wards of the state” has been added from the law.
- The section regarding PRIVATE SCHOOL STUDENTS is also new statutory text.
- Changes in the federal law are reflected in the second and third paragraphs at INITIAL EVALUATION, on page 2.
- New statutory language has also been incorporated at CONSENT FOR INITIAL EVALUATION (page 2), DETERMINATION (on page 3), and REEVALUATIONS (on page 4).
- Provisions at PRESCRIPTION MEDICATION, on page 5, were enacted by the IDEA reauthorization.

#### EHBAB (LEGAL) SPECIAL EDUCATION INDIVIDUALIZED EDUCATION PROGRAM (IEP) AND ARDS

As with EHBAA(LEGAL), this policy has been reorganized and redeveloped for readability, appropriate level of detail, inclusion of new statutory material, and consistency with statutory language.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

Key changes include:

- The multi-page initial section, titled **ADMISSION, REVIEW, AND DISMISSAL COMMITTEE**, has been extensively revised to include from State Board rules provisions relating to the structure, responsibilities, and processes of the ARD committee.
- **TRANSFER STUDENTS**, on page 4, incorporates new statutory text that supersedes commissioner's rules last revised in 2003.
- At **INDIVIDUALIZED EDUCATION PROGRAM** is a prescription for the written statement that is drawn from current law and the IDEA reauthorization.

#### EHBAC (LEGAL) SPECIAL EDUCATION STUDENTS IN NONDISTRICT PLACEMENT

Redevelopment continues with EHBAC(LEGAL): the policy has been revamped to clarify its focus around “related services” (transportation, assistive technology devices, and extended school year services) and non-district placement (private schools, dual enrollment, charter schools, residential facilities, etc.).

Key changes include:

- The federal law's definition of **ASSISTIVE TECHNOLOGY DEVICES** now specifically excludes surgically implanted medical devices.
- **DUAL ENROLLMENT** specifications, beginning on page 3, were to expire on June 30, 2004. Commissioner's rules, effective on June 7, 2004, deleted the expiration language and extended the provisions to students who were not yet eligible to attend kindergarten in a public school.

#### EHBAD (LEGAL) SPECIAL EDUCATION TRANSITION SERVICES

The scope—and title—of EHBAD has been revamped to address transition services.

Key changes regarding such services include the following:

- At **TRANSITION SERVICES DEFINED** is the revised definition found within IDEA 2004.
- At **GRADUATION** is new statutory language specifying that a district is not required to conduct an evaluation conference before terminating the service eligibility of a graduating student or of a student who ages out of eligibility.

Also in this section is a new statutory requirement that the district provide a student whose eligibility has expired a summary of the student's “academic achievement and functional performance” and recommendations on how the student may be assisted in meeting his or her postsecondary goals.

#### EHBAE (LEGAL) SPECIAL EDUCATION PROCEDURAL REQUIREMENTS

The redirection of policy code EHBAD prompts the creation of a new code—EHBAE—to address special education procedural requirements (previously found at EHBAD).

As with other codes in this series, the provisions of the policy have been redeveloped for clarity, to more closely track statutory language, for appropriate level of detail, and to include new statutory provisions.

Of note:

- At **CONTENTS OF NOTICE**, on page 2, a new item 5—requiring an opportunity to present and resolve complaints—has been added from IDEA 2004.

## Explanatory Notes

- At TIME LIMIT, on page 3, commissioner's rules regarding timely hearing requests have been added.

#### EHBC (LEGAL) SPECIAL PROGRAMS COMPENSATORY/ACCELERATED SERVICES

TEA's recently adopted rules implementing the optional flexible year program—styled by TEA as “OFYP”—have been excerpted beginning on page 7. Effective October 18, 2005, the rules address four key aspects:

- Eligibility: the student did not or is not likely to pass a state assessment and/or is not eligible for promotion to the next grade level.
- Program criteria:
  - The instructional days during the regular school year for ineligible students may not drop below 170 days.
  - Eligible students must be provided at least 180 days of instruction.
  - No more than five days of instruction may be waived for staff development or teacher preparation.
  - District transportation as well as free and reduced-price meals—if provided during the regular year—must also be provided during the OFYP.
  - The district may require educational support personnel to provide necessary services.
  - Educators on 10-month contracts must fulfill the minimum days of service required by the Education Code.
- Approval process:
  - The district must submit to TEA a letter describing the proposed modification to the instructional calendar (approved by the board) and the OFYP to be provided.
  - TEA approval of any modification to the instructional calendar is limited to one year but extensions may be granted upon reapplication.
  - The commissioner may require, as a condition of approval, a district to document the success of its approach.
- Funding: the calculation of ADA is modified to reflect the actual number of instructional days within the approved calendar. The divisor for students on a reduced calendar may not be less than 170 days; for eligible students served through OFYP, not less than 180 days.

The text of the rules may be found at <http://www.tea.state.tx.us/rules/commissioner/adopted/0905/61-1017n-ltradopt.html>.

#### EI (LEGAL) ACADEMIC ACHIEVEMENT

Changes, nonlegislative in nature, are as follows:

- ACADEMIC ACHIEVEMENT RECORD: a new second paragraph, drawn from State Board of Education rule, has been added to address transfer of the record. The rule, adopted in 1996 and last revised in 2001, provides that copies of the record must be made available to transferees and may also be provided to the receiving district. The rule further instructs districts to “respond promptly to all requests for student records from receiving districts.”
- EARLY HIGH SCHOOL GRADUATION SCHOLARSHIP PROGRAM: Education Code 28.025(g), previously recited under this heading, expired on January 1, 2004. In its place appears a parallel provision, found in the Higher Education Section of the Education Code. This provision contains no expiration date.

#### EKB (LEGAL) TESTING PROGRAMS STATE ASSESSMENT

The policy has undergone some restructuring and text changes for clarification.

Substantive changes are as follows:

- At SPECIAL EDUCATION STUDENTS, on page 3, the implementation during the 2004–05 school year of an alternative assessment for grades 9–10 is reflected. The transitional language has been deleted.
- EXIT–LEVEL TEST: STUDENTS FROM OTHER STATES, on page 9, tracks HB 25 from the 79th legislative session. Effective May 27, 2005, the legislation requires the commissioner to adopt a norm-referenced, exit-level test for students who enroll in a Texas public school after January 1 of their senior year. This testing requirement applies to first-time enrollees as well as students who have been out of a Texas public school for four or more years.

#### EL (LEGAL) CHARTER CAMPUS OR PROGRAM

TEACHER RETIREMENT SYSTEM, on page 4, has been revised to reflect SB 1691 from the 79th regular session. Effective September 1, 2005, the legislation clarified that a district employee's TRS eligibility is unaffected by the fact that the employee works within a district charter campus or program.

#### F (LEGAL) STUDENTS

We have extended the scope of FFA to include not only policies specific to health services and requirements but also to encompass “wellness.” (See the explanatory note at FFA, below.)

Note as well that we have created a new policy code—FLA—to accommodate policies pertaining to confidentiality of student health information.

#### FFA (LEGAL) STUDENT WELFARE WELLNESS AND HEALTH SERVICES

The new federal “wellness policy” mandate has been added to this policy. The mandate, contained within Public Law 108–265 signed into law on June 30, 2004, requires each school district participating in a meal program under the National School Lunch Act or Child Nutrition Act to establish a “local wellness policy” prior to the beginning of the 2006–07 school year.

This policy must:

- express goals for nutrition education, physical activity, and other school-based activities designed to promote student wellness
- include local nutrition guidelines to promote student health and reduce childhood obesity
- ensure that guidelines for reimbursable school meals are no less restrictive than USDA regulations and guidance
- plan for measuring implementation of the policy—including designation of at least one person at each school responsible for ensuring fulfillment of the policy

The legislation further requires that development of the policy be broad-based, involving not only the board but parents, students, school food service personnel, school administrators, and the public. More information on the federal requirement may be found at USDA's “Team Nutrition” site: <http://www.fns.usda.gov/TN/>

## Explanatory Notes

### TASB Localized Policy Manual Update 77

healthy-schools.html. As the site shows, there are a wide range of resources from which districts may draw when implementing a local wellness program.

In Texas, the growing body of state law and regulation—from the Texas Public School Nutrition Policy promulgated by the Texas Commissioner of Agriculture to the various health and wellness requirements found elsewhere within this update—form a policy context that is more specific than in many other states. The particular challenge for Texas districts is weaving these statutory and regulatory threads into programs and activities that promote student health generally.

To assist districts with that task, Policy Service recently published a **Starting Points** policy development tool-kit on the subject. Available via MyTASB to superintendents and policy administrators, the **Starting Points** can be found at [https://www.tasb.org/docs-mytab/gov\\_svcs/policy\\_svc/wellness\\_sp/index.shtml.cfm](https://www.tasb.org/docs-mytab/gov_svcs/policy_svc/wellness_sp/index.shtml.cfm).

#### FFA (LOCAL) STUDENT WELFARE WELLNESS AND HEALTH SERVICES

The new federal “wellness policy” (described above) renders your current (LOCAL) policy no longer adequate and we therefore recommend its deletion. The mandated wellness policy must explicitly encompass nutrition education, physical activity, and school-based activities designed to promote student wellness. We recommend that you establish the collaborative framework required by federal law and use the new **Starting Points** policy development tool kit to recreate a (LOCAL) policy at this code.

#### FNAB (LEGAL) STUDENT EXPRESSION USE OF SCHOOL FACILITIES FOR NONSCHOOL PURPOSES

To assist districts in addressing the requirements of the Equal Access Act, TASB attorneys have added from federal statute three definitions under LIMITED OPEN FORUM IN SECONDARY SCHOOLS: “secondary school,” “meeting,” and, on page 2, “sponsorship.”

The 1984 Equal Access Act provides that a public secondary school establishes a “limited open forum” whenever it grants a noncurriculum-related student group access to meet on school premises during noninstructional time. In doing so, the school limits its ability to deny access to student groups based solely on their viewpoint or the content of their speech. The absence or presence of a limited open forum has been central to legal challenges brought against an increasing number of school districts.

The choice of whether or not to permit a limited open forum and the implications of that choice for distribution of nonschool literature by students and for nonschool use of school facilities by students are complex. To assist districts in developing or refining FNAA(LOCAL) and FNAB(LOCAL) policies that tease out these knots, Policy Service has issued a **Starting Points** policy development tool kit. Available via MyTASB to superintendents and policy administrators, the **Starting Points** can be found at [http://www.tasb.org/docs-mytab/gov\\_svcs/policy\\_svc/amendment\\_sp/overview.shtml.cfm](http://www.tasb.org/docs-mytab/gov_svcs/policy_svc/amendment_sp/overview.shtml.cfm).

#### FNCF (LEGAL) STUDENT CONDUCT ALCOHOL AND DRUG USE

Recitations of Education Code 37.006 and 37.007—specifying disciplinary consequences for possession or use of alcohol, marijuana or a “controlled substance,” or a dangerous drug—have been deleted. These provisions are found at FOC (PLACEMENT IN A DISCIPLINARY ALTERNATIVE EDUCATION PROGRAM) and FOD (EXPULSION).

In its place are direct statements regarding the alcohol and drug criminal offenses:

- At CRIMINAL OFFENSE, language from Education Code 37.122 has been added, defining as a Class C misdemeanor possession or use of an intoxicating beverage on school grounds or at an athletic event involving a school.

## Explanatory Notes

### TASB Localized Policy Manual Update 77

- At DRUG–FREE ZONES appears text from Health and Safety Code 481.134 enhancing the criminal penalties for a person who knowingly or intentionally possesses a controlled substance on a school bus or within 1,000 feet of a district property.

#### FNG (LEGAL) STUDENT RIGHTS AND RESPONSIBILITIES STUDENT AND PARENT COMPLAINTS/GRIEVANCES

As at DGBA(LEGAL), RECORD OF PROCEEDINGS, on page 4, has been amended to include an excerpt from TEA rules adopted in July 2004 and addressing what constitutes a “record” for appeals brought under Education Code 7.057.

The record upon which the commissioner of education decides an appeal must include:

- acceptable tape recordings or transcripts of the local hearing
- all evidence admitted
- all offers of proof
- all written pleadings, motions, and intermediate rulings
- a description of matters officially noticed
- the recommendation of the independent hearing examiner, if applicable
- a tape or transcript of the oral argument before the board
- the decision rendered by the board

These rules replaced previous hearing rules, adopted in 1993, when hearings were *de novo*. The rules were updated in July 2004 to reflect the fact that appeals are now conducted on the basis of a review of the substantial evidence as presented by the record.

#### FO (LEGAL) STUDENT DISCIPLINE

On November 7, 2005, Attorney General Greg Abbott ruled that HB 383—a Family Code amendment from the 79th regular session—did NOT impair the ability of a professional employee of a school district to administer corporal punishment.

The ruling (published at <http://www.oag.state.tx.us/opinions/ga/ga0374.pdf>) responds to a July 27 request from Commissioner of Education Shirley Neeley after the passage of HB 383 that stated, in part:

“Only the following persons may use corporal punishment for the reasonable discipline of a child:

- the parent or grandparent of the child;
- a stepparent of the child who has the duty of control and reasonable discipline of the child; and
- an individual who is a guardian of the child and who has the duty of control and reasonable discipline of the child.”

The commissioner queried whether the legislation applied to corporal punishment administered within a school setting and went on to inquire whether corporal punishment may be administered without parental consent. The attorney general concluded that the new law:

“does not prohibit the use of corporal punishment by school districts. Therefore a professional school district employee may utilize corporal punishment to the extent permitted by other state law and school district policies. Additionally, a school district may adopt a policy authorizing corporal punishment without the permission of persons [listed in the cited passage].”

## Explanatory Notes

### TASB Localized Policy Manual Update 77

The attorney general's analysis is consistent with that of TASB attorneys this summer: the intent of the language was to clearly empower grandparents, stepparents, and guardians to use corporal punishment without fear of a *de facto* claim of child abuse. Moreover, the legislature left intact existing authority permitting districts to administer corporal punishment. Believing that sufficient legal authority existed for school personnel to administer corporal punishment, TASB Legal Services did not include the HB 383 provisions in FO(LEGAL) policy at Update 76, the first of the post-legislative updates, nor is it included at Update 77.

#### FODA (LEGAL) EXPULSION JUVENILE JUSTICE ALTERNATIVE EDUCATION PROGRAM

At FEES, on page 4, has been added a provision from HB 1687 prohibiting a juvenile justice alternative education program from charging fees "except as otherwise provided by law." This legislation, from the 79th regular session, became effective June 18, 2005.

#### FOF (LEGAL) STUDENT DISCIPLINE STUDENTS WITH DISABILITIES

As indicated in notes accompanying the EHBA series policies in this update, the incorporation of changes arising from the IDEA reauthorization and recent commissioner's rules prompted TASB attorneys to closely reevaluate policies pertaining to disabled students. This policy, pertaining to the discipline of students with disabilities, was similarly redeveloped and incorporates legislative changes as well.

Changes of note:

- On page 1, SPECIAL EDUCATION STUDENTS now includes language from HB 283 from the 79th regular session. Effective June 18, 2005, the legislation requires the Student Code of Conduct to withhold discipline of a special education student for "bullying, harassment, or making hit lists" until the ARD committee has reviewed the conduct.
- At INTERIM ALTERNATIVE EDUCATIONAL SETTING, on page 4, is a new statutory provision that permits a district to remove a student to an interim alternative placement (such as a DAEP) for up to 45 days if the student has inflicted serious bodily injury upon another person on school premises or at a school function under the jurisdiction of the state or a district, regardless of whether the conduct was a manifestation of the student's disability. A definition of SERIOUS BODILY INJURY, on page 5, has been added from the federal law as well.
- PLACEMENT DURING APPEALS, on page 6, has been revised to reflect the fact that a district may now require a student to remain in a DAEP pending an appeal, but the district must arrange an expedited hearing.

#### GF (LEGAL) PUBLIC COMPLAINTS

As with DGBA(LEGAL) and FNG(LEGAL), RECORD OF PROCEEDINGS has been amended to include an excerpt from TEA rules adopted in July 2004 and addressing what constitutes a "record" for appeals brought under Education Code 7.057.

The record upon which the commissioner of education decides an appeal must include:

- acceptable tape recordings or transcripts of the local hearing
- all evidence admitted
- all offers of proof
- all written pleadings, motions, and intermediate rulings

MASTER TEACHER  
GRANT  
PROGRAMS

The District may apply to the Commissioner of Education for grants to be used to pay stipends to certified master reading teachers, master mathematics teachers, master technology teachers, and master science teachers.

TEACHER  
ELIGIBILITY

The Commissioner shall reduce payments to the District proportionately to the extent a teacher does not meet the requirements for a master teacher for the entire school year.

If a teacher qualifies as a master reading or mathematics teacher for a partial month, the District's written policy will determine how the District counts the partial month, for example, as no month served or as an entire month served. REDUCTION OF  
STIPEND

If state funds are appropriated but are insufficient to fully fund a master reading teacher, master mathematics teacher, or master science teacher grant, the Commissioner shall reduce the grant paid to each district and the District shall reduce the stipend the District pays to each teacher under the grant program proportionately so that each selected teacher receives the same amount of money. If funds are insufficient to fully fund a master technology teacher grant, the Commissioner shall determine the method of distributing the funds.

A stipend a teacher receives under this program is not considered in determining whether the District is paying the teacher the minimum monthly salary.

The District must pay state stipends to certified master reading, science, and mathematics teachers no later than 30 days after receipt of the grant by the District.

A district that receives federal financial assistance, directly or indirectly, and that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973. *34 CFR 104.7(b), 104.11*

AMERICANS WITH

PERSONNEL–MANAGEMENT RELATIONS:  
EMPLOYEE COMPLAINTS/GRIEVANCES

DGBA  
(LEGAL)

GRIEVANCES  
CONCERNING  
WAGES, HOURS,  
CONDITIONS OF  
WORK

The prohibition against collective bargaining and strikes [see DGA] does not impair the right of employees to present grievances concerning their wages, hours of employment, or conditions of work, either individually or through a representative that does not claim the right to strike. *Gov't Code 617.005*

The term “conditions of work” should be construed broadly to include any area of wages, hours or conditions of employment, and any other matter that is appropriate for communications from employees to employer concerning an aspect of their relationship. *Atty. Gen. Op. JM-177 (1984)*; *Corpus Christi Fed. of Teachers v. Corpus Christi ISD*, 572 S.W.2d 663 (Tex. 1978)

GROUP  
GRIEVANCES

The statute protects grievances presented individually or individual grievances presented collectively. *Lubbock Prof'l Firefighters v. City of Lubbock*, 742 S.W.2d 413 (Tex. App.—Amarillo, writ ref'd n.r.e. 1987)

REPRESENTATIVE

The District cannot deny an employee's representative, including an attorney, the right to represent the employee at any stage of the grievance procedure, so long as the employee designates the representative and the representative does not claim the right to strike. *Lubbock Prof'l Firefighters v. City of Lubbock*, 742 S.W.2d 413 (Tex. App.—Amarillo, writ ref'd n.r.e. 1987); *Sayre v. Mullins*, 681 S.W.2d 25 (Tex. 1984)

RESPONSE TO  
GRIEVANCE

The District should meet with employees or their designated representatives at reasonable times and places to hear grievances concerning wages, hours of work, and conditions of work. The right to present grievances is satisfied if employees have access to those in a position of authority to air their grievances. However, that authority is under no legal compulsion to take action to rectify the matter. *Atty. Gen. Op. H-422 (1974)*; *Corpus Christi ISD v. Padilla*, 709 S.W.2d 700 (Tex. App.—Corpus Christi, 1986, no writ)

GRIEVANCES  
CONCERNING  
FINALITY OF GRADES

An examination or course grade issued by a classroom teacher is final and may not be changed unless the grade is arbitrary, erroneous, or not consistent with the District's grading policy applicable to the grade, as determined by the Board of the District in which the teacher is employed.

The Board's determination is not subject to appeal.

*Education Code 28.0214*

OPEN MEETINGS ACT

The Board is not required to conduct an open meeting to hear a complaint or charge against an employee. However, the Board may not conduct a closed meeting if the employee who is the subject of the hearing requests a public hearing. *Gov't Code 551.074* [See BEC]

OFFICIAL  
OPPRESSION

A public official commits a Class A misdemeanor if, while acting in his or her official or employment capacity, the official intentionally subjects another to unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, submission to which is made a term or condition of a person's exercise or enjoyment of any right, privilege, power, or immunity, either explicitly or implicitly. *Penal Code 39.03(a)*

HARASSMENT OF  
EMPLOYEES

Harassment on the basis of a protected characteristic is a violation of the federal anti-discrimination laws. The District has an affirmative duty, under Title VII, to maintain a working environment free of harassment on the basis of sex, race, color, religion, and national origin. *42 U.S.C. 2000e, et seq.; 29 CFR 1606.8(a), 1604.11*

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Sundowner Offshore Services, Inc., 523 U.S. 75 (1998)*

HOSTILE  
ENVIRONMENT

Verbal or physical conduct based on a person's sex, race, color, religion, or national origin constitutes unlawful harassment when the conduct:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment;
2. Has the purpose or effect of unreasonably interfering with an individual's work performance; or
3. Otherwise adversely affects an individual's employment opportunities.

*Pennsylvania State Police v. Suders, 542 U.S. 129 (2004); Nat'l Railroad Passenger Corp. v. Morgan, 536 U.S. 101 (2002); Meritor Savings Bank v. Vinson, 477 U.S. 57 (1986); 29 CFR 1604.11, 1606.8*

QUID PRO QUO

Conduct of a sexual nature also constitutes harassment when:

2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual.

*29 CFR 1604.11(a)*

SAME-SEX  
SEXUAL  
HARASSMENT

Same-sex sexual harassment constitutes sexual harassment.  
*Oncale v. Sundowner Offshore Services, Inc.*, 523 U.S. 75 (1998)

HARASSMENT  
POLICY

The District should take all steps necessary to prevent sexual harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. *29 CFR 1604.11(f)*

CORRECTIVE ACTION

The District is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the District, its agents, or its supervisory employees knew or should have known of the conduct, unless the District takes immediate and appropriate corrective action. *29 CFR 1604.11(d), (e), 1606.8(d), (e)*

When no tangible employment action is taken, the District may raise the following affirmative defense:

1. That the District exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

In the event the Board does not ratify all of the selections, the reasons shall be recorded in Board minutes. The committee shall make other recommendations for selection until the Board has ratified all selections.

The District shall conduct a timely and meaningful consultation with private school representatives regarding the child find process and the provision of special education and related services to children enrolled in private schools.

When timely and meaningful consultation has occurred, the District shall obtain a written affirmation signed by the representatives of participating private schools. CONSENT FOR  
INITIAL  
EVALUATION

Before the District conducts an initial assessment, it shall obtain informed, written parental consent for the evaluation.

If a parent revokes consent, that revocation is not retroactive (that is, it does not negate an action that has occurred after the consent was given and before the consent was revoked). [See EHBD]

Parental consent shall not be construed as consent for placement.

DETERMINATION

The initial evaluation shall consist of procedures to determine whether a child is a child with a disability within 60 days of receiving parental consent for the evaluation, or a shorter time frame if one is established by the state.

This time frame shall not apply if:

1. A child enrolls after the relevant time frame has begun and before the previous district made a determination as to whether the child has a disability, but only if the current district is making sufficient progress to ensure a prompt completion of the evaluation and the parent and District agree to a specific time for completion of the evaluation; or
2. The parent repeatedly fails or refuses to produce the child for the evaluation.

The time required for the District to provide information and seek consent under Education Code 29.0041(b) may not be counted toward the 60 calendar days for completion of an evaluation under Education Code 29.004. If a parent does not give consent under Education Code 29.0041(b) within 20 calendar days after the date the District provided to the parent the information required, the parent's consent is considered denied. *Education Code 29.0041(c)*

DETERMINATION OF  
ELIGIBILITY

Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child is eligible for special education and related services. Lack of instruction in reading or math or limited English proficiency shall not be the determinant factor. *20 U.S.C. 1414(b)(4)–(5); 34 CFR 300.534(a)*

FIRST-TIME  
REFERRALS

The admission, review, and dismissal (ARD) committee shall make its decisions regarding a student referred for a full and individual initial evaluation within 30 calendar days from the date of the completion of the written evaluation report. If the 30th day falls during the summer and school is not in session, the ARD committee shall have until the first day of classes in the fall to finalize decisions concerning the initial eligibility determination, the IEP, and placement, unless the initial evaluation indicates the student will

INDEPENDENT EVALUATION	<p>The parents have a right to obtain an independent educational evaluation if they disagree with the District's evaluation.</p> <p>If a parent requests an independent evaluation, the District shall provide the parents with information regarding where one can be obtained. In addition, the District shall either ensure that an evaluation is performed at public expense or initiate a due process hearing to establish that the District's evaluation is appropriate.</p>
AT PUBLIC EXPENSE	If an independent evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the District uses when it initiates an evaluation.
AT PRIVATE EXPENSE	<p>If the District initiates a hearing, and the District's evaluation is found to be appropriate, the parent still has a right to an independent evaluation, but not at public expense. If the parent obtains an independent educational evaluation at private expense, the results of the evaluation shall be considered by the District, if it meets District criteria, in any decision made with respect to providing a free appropriate public education to the child.</p> <p><i>34 CFR 300.502</i></p>

COLLABORATIVE  
PROCESS

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions concerning the required elements of the IEP shall be made by agreement of the required members, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

TEN-DAY  
RECESS

When agreement about all required elements of the IEP is not achieved, the parent or adult student [see EHBAD for more information on rights of adult students] who disagrees shall be offered a single opportunity to have the committee recess for a period not to exceed ten school days. This recess is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the members of the ARD committee from recessing an ARD committee meeting for reasons other than failure of the parents and the District to reach agreement about all required elements of an IEP.

During the recess, the committee members shall consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons to enable the committee to reach agreement.

A written statement of the basis for the disagreement shall be included in the IEP. The members who disagree shall be offered the opportunity to write their own statements.

When the District implements an IEP with which the parents or adult student disagree, it shall provide prior written notice in compliance with the notice provisions described at EHBAE.

Parents shall have the right to file a complaint, request mediation, or request a due process hearing at any point, when they disagree with ARD committee decisions.

MODIFICATION OF  
EXISTING IEP

After the annual IEP meeting for a school year, the parent and District may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

To the extent possible, the District shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP. Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

6. For all contract students, the District shall verify in the initial and each subsequent annual ARD review that:

  - c. The facility continues to offer an appropriate program for the student and is the least restrictive environment for the student.

OUT-OF-STATE  
PLACEMENTS

If the District contracts for out-of-state residential placements, it shall do so in accordance with the rules for in-state residential placement, except that the facility shall be approved by the appropriate agency in the state in which the facility is located rather than by the Texas Commissioner of Education.

IN-STATE

INTENSIVE  
PROGRAM OF  
INSTRUCTION

The District shall offer an intensive program of instruction to a student who does not perform satisfactorily on a state assessment instrument. The program shall be designed to enable the student to perform at the student's grade level at the conclusion of the next regular school term, to the extent practicable, or to attain a standard of annual growth specified by the District and reported by the District to TEA and, if applicable, to carry out the purposes of Education Code 28.0211.

For a student in a special education program under Education Code Subchapter 29(A), who does not perform satisfactorily on a state assessment instrument, the student's admission, review, and dismissal committee shall design the program to enable the student to attain a standard of annual growth on the basis of the student's individualized education program and, if applicable, carry out the purposes of Education Code 28.0211.

The District's determination of the appropriateness of a program for a student is final and does not create a cause of action.

The District shall use funds appropriated by the legislature for an intensive program of instruction to plan and implement intensive instruction and other activities aimed at helping a student satisfy state and local high school graduation requirements. The Commissioner shall distribute funds to districts that implement the program based on the number of students identified by the District who do not perform satisfactorily on a state assessment instrument or are not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade nine, as determined by the District.

COMPENSATORY,  
INTENSIVE, AND  
ACCELERATED  
INSTRUCTION

The District shall use student performance data from state basic skills assessment instruments and achievement tests to design and implement appropriate compensatory, intensive, or accelerated instructional services for students in the District's schools that enable the students to be performing at grade level at the conclusion of the next regular school term.

The District shall provide accelerated instruction to enrolled students who have not performed satisfactorily on each section of the secondary exit-level assessment instrument or who are at risk of dropping out of school.

EFFECTIVENESS

The district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other District students. The evaluation shall include an analysis of the effectiveness of each program described in the campus and District improvement plans for reducing such disparities.

*Education Code 29.081(a), (b), (c)*

USE OF  
COMPENSATORY  
EDUCATION  
ALLOTMENT

The District shall use its compensatory education allotment to fund supplemental programs and services designed to eliminate any disparity in performance on state assessment instruments or disparity in the rates of high school completion between at-risk students and all other students. Specifically, the District may use the funds, other than an indirect cost allotment established by State Board rule, which may not exceed 15 percent, in providing a compensatory, intensive, or accelerated instruction program or an alternative education program established under Education Code 37.008 or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965 and its subsequent amendments and implementing regulations, at a campus at which at least 40 percent of the students are educationally disadvantaged. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program, the District's compensatory education allotment shall be used for costs supplementary to the regular education program, such as costs for program and student evaluation, instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction.

The District may also use allocated funds to fund the District's mentoring services program under Education Code 29.089.

PROGRAM

The District shall implement an accelerated reading instruction program that provides reading instruction that addresses reading deficiencies to each student in kindergarten, first grade, or second grade who is determined, on the basis of reading instrument results [see EKC], to be at risk for dyslexia or other reading difficulties. The District shall determine the form, content, and timing of that program. The Commissioner shall make grants in support of pre-reading instruction. These grants shall be used to provide scientific, research-based pre-reading instruction for the purpose of directly improving pre-reading skills and for identifying cost-effective models for pre-reading intervention. As a condition to receiving a grant, public or private funds matching the grant must be pledged in a percentage set by the Commissioner. *Education Code 29.157*

AFTER-SCHOOL AND

2. Students who are not performing successfully in a mathematics course or science course to assist those students in successfully completing the course; or
3. Other students as determined by the District.

Before providing a program, the Board must adopt a policy for:

1. Determining student eligibility for participating in the program that:
  - a. Prescribes the grade level or course a student must be enrolled in to be eligible; and
  - b. Provides for considering teacher recommendations in determining eligibility;

5. Measuring student progress on completion of the program.

The District may set aside an amount from its compensatory education allotment, or may apply to TEA for funding of an extended-year program, for a period not to exceed 30 instructional days for:

1. Students in kindergarten through grade 11 who are identified as not meeting District standards or policies for promotion on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level; or
2. Students in grade 12 who are identified as likely not to graduate from high school before the beginning of the succeeding school year.

Each district seeking funding for an extended-year program must submit an application to the Commissioner of Education.

The District may not enroll more than 16 students in a class provided in an optional extended-year program. Each class must be taught by a teacher who has completed a program that provides training to teach such a class. The training shall provide teachers with the knowledge and skills needed to help students in the program meet challenging state content and student performance standards. Training is to occur prior to the implementation of the program, and additional professional development may be provided throughout the implementation of the program.

2. Include a parent/family awareness component in the extended-year program.
3. Submit to TEA an annual report evaluating the program. The report shall include a complete list of students who participated in the program for at least one day.
4. Maintain documentation of its compliance with the requirements of the optional extended-year provisions of this policy.

All costs under the optional extended-year program must be necessary and reasonable for carrying out the objectives of the program and for the proper and efficient performance and administration of the program.

TEA shall adopt or develop appropriate criterion-referenced assessment instruments designed to assess the ability of and to be administered to each student who is determined to have dyslexia or a related disorder and who is an individual with a disability under 29 U.S.C. 705(20), for whom the assessment instruments, even with allowable modifications, would not provide an appropriate measure of student achievement, as determined by the committee established by the Board to determine the placement of students with dyslexia or related disorders. The committee shall determine whether any allowable modification is necessary in administering to a student an assessment instrument required under this provision. *Education Code 39.023(n)*

In grades 3–6, the LPAC [see EHBE] shall determine whether a nonexempt LEP student whose primary language is Spanish will take the assessment of academic skills in English or in Spanish. EXEMPTIONS	<p>A student may be exempted from the administration of the state assessment of academic skills:</p> <ol style="list-style-type: none"><li>1. [See FD]</p> <p><i>Education Code 39.027(a)(3), (4), (g)</i></p>
LEP STUDENTS AT THE EXIT LEVEL	LEP students are not eligible for an exemption from the exit-level assessment of academic skills on the basis of limited English proficiency. However, LEP students who are recent immigrants may postpone one time the initial administration of the exit-level test.

“Recent immigrant” means an immigrant who first enrolls in U.S. schools no more than 12 months before the administration of the test from which the postponement is sought. *19 TAC 101.1005*

LEP STUDENTS AT  
OTHER GRADES

In grades 3–6, the LPAC shall determine whether an LEP student is administered the assessment of academic skills in English or in Spanish. An LEP student may be administered a Spanish version of the assessment of academic skills for a maximum of three years. If the LEP student is an immigrant, the number of LEP exemptions and administrations of the assessment in Spanish must not exceed three.

IMMIGRANT  
STUDENTS

Certain immigrant LEP students who have had inadequate schooling outside the U.S. may be eligible for an exemption from the assessment of academic skills during a period not to exceed their first three school years of enrollment in U.S. schools. “Immigrant” is defined as a student who has resided outside the 50 United States for at least two consecutive years.

1. An immigrant LEP student who achieves a rating of advanced high on the state-administered reading proficiency tests in English during the student's first school year of enrollment in U.S. schools is not eligible for an exemption in the second or third school year of enrollment in U.S. schools. An immigrant LEP student who achieves a rating of advanced or advanced high on this assessment during the student's second school year of enrollment in U.S. schools is not eligible for an exemption in the third school year of enrollment in U.S. schools.
2. During the first school year of enrollment in U.S. schools, the immigrant student may be granted an LEP exemption if the LPAC determines that the student has not had the schooling outside the U.S. necessary to provide the foundation of learning that Texas schools require and measure on the assessment, whether the foundation be in knowledge of the English language or specific academic skills and concepts in the subjects assessed.
3. During the second and third school year of enrollment in U.S. schools, the immigrant student whose schooling outside the U.S. was inadequate and for whom a primary language assessment is not available may be granted an LEP exemption if the LPAC determines that the student lacks the academic language proficiency in English necessary for an assessment of academic skills in English to measure the student's academic progress in a valid, reliable manner.
4. During the second and third school year of enrollment in U.S. schools, the immigrant student whose schooling outside the

U.S. was inadequate and for whom a Spanish-version assessment is available is not eligible for an LEP exemption and must take the assessment in either English or Spanish unless:

- a. The student is in an English as a second language program that does not call for instruction in Spanish and the LPAC determines that the student lacks the language proficiency in English and the academic instruction and/or literacy in Spanish for the assessment in either English or Spanish to measure the student's academic progress in a valid, reliable manner; or
- b. The student is in a bilingual education program and the LPAC has documentation, including signed verification by the parent or guardian whenever possible, that there was an extensive period of time outside the U.S. in which the student did not attend school and that this absence of schooling resulted in such limited academic achievement and/or literacy that assessment in either English or Spanish is inappropriate as a measure for school accountability. The term "extensive period of time outside the U.S.," as used in this paragraph, shall be defined in the test administration materials.

Students exempted under the above provisions shall be administered assessments in subjects and grades required by federal law and regulations as delineated in the test administration materials. Exempt students assessed only for federal accountability purposes shall not be subject to the grade advancement requirements under the Student Success Initiative.

An LEP student whose parent or guardian has declined the services required by Education Code Chapter 29, Subchapter B [see EHBE], is not eligible for an exemption under the above provisions. The student shall take the assessments of academic skills in English and the English Language Proficiency Assessments.

The District may administer the assessment of academic skills in Spanish to a student who is not identified as LEP but who participates in a two-way bilingual program if the LPAC determines the assessment in Spanish to be the most appropriate measure of the student's academic progress. However, the student may not be administered the Spanish-version assessment for longer than three years.

EQUAL ACCESS ACT

If a District secondary school receives federal financial assistance and has a limited open forum, as defined below, it shall not deny equal access or a fair opportunity to, or discriminate against, any students who wish to conduct a meeting within that limited open forum on the basis of the religious, political, philosophical, or other content of the speech at such meetings. *20 U.S.C. 4071(a)*

LIMITED OPEN  
FORUM IN  
SECONDARY  
SCHOOLS

A District secondary school has a limited open forum for purposes of the Equal Access Act whenever the school grants an offering to or an opportunity for one or more noncurriculum-related student groups to meet on school premises during noninstructional time. *20 U.S.C. 4071(b)*

“Secondary school” means a public school that provides secondary education as determined by state law.

“Meeting” includes those activities of student groups that are permitted under a school’s limited open forum and that are not directly related to the school curriculum.

“Noninstructional time” means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends.

*20 U.S.C. 4072*

“Noncurriculum-related student group” means any student group that does not directly relate to the body of courses offered by the school. A student group directly relates to the school’s curriculum if it meets any of the following criteria:

1. The subject matter of the group is actually taught or will soon be taught in a regularly offered course.
2. The subject matter of the group concerns the body of courses as a whole.
3. Participation in the group is required for a particular course.
4. Participation in the group results in academic credit.

*Westside Cmty. Sch. v. Mergens*, 496 U.S. 226 (1990)

If a school has a limited open forum, it shall be deemed to offer a fair opportunity for students to conduct meetings within its forum if it uniformly provides that:

1. The meeting is voluntary and student-initiated.
2. There is no sponsorship of the meeting by the school or any government or its agents or employees.

STUDENT EXPRESSION:  
USE OF SCHOOL FACILITIES FOR NONSCHOOL PURPOSES

FNAB  
(LEGAL)

“Sponsorship” includes the act of promoting, leading, and participating in a meeting. The assignment of a teacher, administrator, or other school employee to a meeting for custodial purposes does not constitute sponsorship of the meeting.

3. School employees are present at religious meetings only in a nonparticipatory capacity.
4. The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school.
5. Nonschool persons shall not direct, conduct, control, or regularly attend activities of student groups.

*20 U.S.C. 4071(c)*

The establishment of a limited open forum shall not authorize a school or the District to:

1. Influence the form or content of any prayer or other religious activity.
2. Require any person to participate in prayer or other religious activity.
3. Expend public funds beyond the incidental cost of providing the space for student-initiated meetings.
4. Compel any school agent or employee to attend a meeting if the content of the speech at the meeting is contrary to the beliefs of the agent or employee.
5. Sanction meetings that are otherwise unlawful.
6. Limit the rights of groups of students that are not of a specified numerical size.
7. Abridge the constitutional rights of any person.

*20 U.S.C. 4071(d)*

MAINTAIN ORDER

The establishment of a limited open forum shall not limit the authority of a school, the District, its agents, or its employees to maintain order and discipline on school premises, to protect the well-being of students and faculty, and to assure that attendance of students at meetings is voluntary. *20 U.S.C. 4071(f)*

STUDENTS WHO MOVE	If a student who is ordered to attend a JJAEP moves from one county to another, the juvenile court may request the JJAEP in the county to which the student moves to provide educational services to the student in accordance with the local MOU between the District and the juvenile board in the receiving county. <i>Education Code 37.011(n)</i>
FUNDING FOR JJAEPs	Except as determined by the Commissioner, a student served by a JJAEP on the basis of conduct for which expulsion is required under Education Code 37.007 is not eligible for Foundation School Program funding if the JJAEP receives funding from the Texas Juvenile Probation Commission. <i>Education Code 37.011(h)</i>
MANDATORY EXPULSIONS	
COURT-ASSIGNED STUDENTS	The District is not required to provide funding to a juvenile board for a student who is assigned by a court to a JJAEP but who has not been expelled. <i>Education Code 37.012</i>
FUNDING FOR DISCRETIONARY EXPULSIONS	<p>Subject to Education Code 37.011(n) [see STUDENTS WHO MOVE, above], the district in which a student is enrolled on the date the student is expelled for conduct for which expulsion is permitted but not required under Education Code 37.007 shall, if the student is served by the JJAEP, provide funding to the juvenile board in an amount determined by the MOU under Education Code 37.011(k).</p> <p>The amount of the funds transferred is determined by the portion of the school year for which the JJAEP provides educational services to the District.</p> <p><i>Education Code 37.012(a)</i></p>
ARBITRATION OF DISPUTES	<p>If the District elects to contract with the juvenile board for the placement of students who are expelled for conduct for which expulsion is permitted but not required under Education Code 37.007, and the juvenile board and the District are unable to reach an agreement in the MOU, either party may request that the issues of dispute be referred to a binding arbitration process that uses a qualified alternative dispute resolution arbitrator.</p> <p>Each party shall pay its pro rata share of the arbitration costs and shall submit its final proposal to the arbitrator. If the parties cannot agree on an arbitrator, the juvenile board shall select an arbitrator, the District shall select an arbitrator, and those two arbitrators shall select an arbitrator who shall decide the issues in dispute.</p>
DECISION OF ARBITRATOR	The arbitration decision is enforceable in a court in the county in which the JJAEP is located. Any decision by an arbitrator concerning the amount of the funding for a student who is expelled and attending a JJAEP must provide an amount sufficient based on operation of the JJAEP. In determining the amount to be paid by

STUDENTS WITH  
DISABILITIES UNDER  
SECTION 504

A student with a disability under Section 504 shall not be removed from school for more than ten consecutive school days unless the District first determines that the misbehavior is not a manifestation of the student's disability. That determination may be made by the same group of people who make placement decisions. [See FB] At a minimum, the group shall include persons knowledgeable about the student and the meaning of the evaluation data. The group must have available to it evaluation data that is recent enough to afford an understanding of the student's current behavior.

If it is determined that the misconduct is not caused by the student's disability, the student may be excluded from school in the same manner as similarly situated nondisabled students. [See FO] If it is determined that the misconduct is caused by the student's disability, the District must determine whether the student's current educational placement is appropriate.

The District may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the District would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

SPECIAL EDUCATION  
STUDENTS

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004*

The methods adopted in the Student Code of Conduct [see FO] for preventing and intervening in student discipline problems must provide that a student who is enrolled in a special education program under Education Code Chapter 29, Subchapter A, may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

DAEP PLACEMENT NOT SOLELY FOR EDUCATIONAL PURPOSES	A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. CONTINUATION OF SERVICES	The District is not required to provide services to a student during periods of removal if the student has been removed from his or her current placement for ten school days or less in that school year, if services are not provided to a student without disabilities who has been similarly removed. <i>34 CFR 300.121(d)(1)</i>

CHANGE IN  
PLACEMENT

Any disciplinary action that would constitute a change in placement may be taken only after the student's ARD committee conducts a manifestation determination review (see MANIFESTATION DETERMINATION, below) *Education Code 37.004*

'CHANGE IN  
PLACEMENT'

A change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than ten consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because they cumulate to more than ten school days in a school year, and because of factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

MANIFESTATION  
DETERMINATION

Except as set forth below at WEAPONS/DRUG OFFENSES, within ten school days of any decision to change the placement of a student because of a violation of a code of student conduct, the District, parents, and relevant members of the ARD committee shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the District's failure to implement the IEP.

If the District, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

STUDENTS NOT YET  
IDENTIFIED

A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated a code of student conduct may assert any of the protections provided for in the IDEA if the District had knowledge that the student had a disability before the behavior that precipitated that disciplinary action occurred. *20 U.S.C. 1415(k)(5)(A)*

DISTRICT  
KNOWLEDGE

The District shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred:

1. The parent of the student has expressed concern in writing (or orally if the parent does not know how to write or has a disability that prevents a written statement) to supervisory or administrative personnel of the District or to the teacher of the student that the student is in need of special education and related services;
2. The behavior or performance of the student demonstrates the need for such services;
3. The parent of the student has requested an evaluation of the student for special education and related services; or
4. The student's teacher, or other District personnel, has expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other supervisory personnel of the District.

*20 U.S.C. 1415(k)(5)(B)*

EXCEPTION

The District shall not be deemed to have knowledge that the student had a disability if:

1. The parent has not allowed an evaluation of the student;
2. The parent has refused services; or
3. The student has been evaluated and it was determined that the student did not have a disability.

If the District does not have knowledge (as described above), before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures as are applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the

BEHAVIOR  
MANAGEMENT  
TECHNIQUES

Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities.

CONFINEMENT

A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique.

Education Code 37.0021 does not prevent a student's locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, "weapon" includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

*Education Code 37.0021*

SECLUSION

A District employee or volunteer or an independent contractor of the District may not place a student in seclusion.

"Seclusion" means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

Education Code 37.0021 and any rules or procedures adopted under Education Code 37.0021 do not apply to a peace officer, while performing law enforcement duties; juvenile probation, detention, or corrections personnel; or an educational services provider with whom a student is placed by a judicial authority, unless the services are provided in an educational program of a school district.

RESTRAINT

A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.
3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.
4. Restraint shall not deprive the student of basic human necessities.

"Restraint" means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student's body.

"Restraint" does not include the use of:

1. Physical contact or appropriately prescribed adaptive equipment to promote normative body positioning and/or physical functioning;
2. Limited physical contact with a student to promote safety (e.g., holding a student's hand), prevent a potentially harmful action (e.g., running into a street), teach a skill, or provide comfort;
3. Limited physical contact or appropriately prescribed adaptive equipment to prevent a student from engaging in ongoing, repetitive self-injurious behaviors; or
4. Seat belts and other safety equipment used to secure students during transportation.

"Emergency" means a situation in which a student's behavior poses a threat of:

1. Imminent, serious physical harm to the student or others; or
2. Imminent, serious property destruction.

TRAINING

Training for school employees, volunteers, or independent contractors shall be provided according to the requirements set forth at 19 TAC 89.1053.

DOCUMENTATION

In a case in which restraint is used, school employees, volunteers, or independent contractors shall implement the following documentation requirements:

1. On the day restraint is utilized, the campus administrator or designee must be notified verbally or in writing regarding the use of restraint.
2. On the day restraint is utilized, a good faith effort shall be made to verbally notify the parent(s) regarding the use of restraint.
3. Written notification of the use of restraint must be placed in the mail or otherwise provided to the parent within one school day of the use of restraint.
4. Written documentation regarding the use of restraint must be placed in the student's special education eligibility folder in a timely manner so the information is available to the ARD committee when it considers the impact of the student's behavior on the student's learning and/or the creation or revision of the BIP.
5. Written notification to the parent(s) and documentation to the student's special education eligibility folder shall include the following:
  - a. Name of the student;
  - b. Name of the staff member(s) administering the restraint;
  - c. The date of the restraint and the time the restraint began and ended;
  - d. Location of the restraint;
  - e. Nature of the restraint;
  - f. A description of the activity in which the student was engaged immediately preceding the use of restraint;
  - g. The behavior that prompted the restraint;
  - h. The efforts made to de-escalate the situation and alternatives to restraint that were attempted; and
  - i. Information documenting parent contact and notification.

TIME-OUT

A school employee, volunteer, or independent contractor may use time-out with the following limitations.

1. Physical force or threat of physical force shall not be used to place a student in time-out.
2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and

3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

"Time-out" means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.
