

REQUEST FOR APPROVAL OF MISSED SCHOOL DAY WAIVER

Missed School Day Waiver

The T.E.A. allows districts/campuses to submit a Missed School Day waiver application if weather, safety or health cause a district to fall short of the required number of days beyond the additional days already built into the adopted school calendar.

Due to the weather conditions that necessitated district closure on February 1, 2023 a Missed School Day Waiver is applicable.

Administrative Recommendation:

Approval of the Missed School Day Waiver for February 1, 2023
