

## Washington, DC

The many monuments, museums, government buildings, and cemeteries of Washington, DC praise the founding fathers and the democratic government that our nation continues to uphold, honor those who gave their lives to see freedom through, and recognize the great inspiration, talent, and diversity inherent in our rich national and cultural heritage. Photographers – Dai Hirota, Scott T. Smith/Danita Delimont.com, Dianne Dietrich Leis, Richard Nowitz/Photri-Microstock, and John Wagner

DR. WildE,

I just wanted to thank you for going to D.C. It was a treptlat I will

NEVER topget. I shw things that I

NEVER thought I would SEE IN MS

Life. It also opened my Eyes to the

I the Dehma the Sieves with the

Impact And 8\$. What a great journey in part

To WE Embank the Stranger
