

Forest Hills
Elementary
School

Senior Volunteer Program

We're seeking senior volunteers to commit to three months of service. You can choose to volunteer one to two days a week or at a minimum two days per month.*

We need volunteers for:

- ✓ **Classrooms.** Help one child or help many children with work completion, reading, or assist the teacher with classroom projects.
- ✓ **Library.** Help in our library with shelving books, checking out books or reading to children.
- ✓ **Art.** Help children with art projects in their art classes.
- ✓ **Lunch or playground.** Assist younger students with opening packages and helping them learn to clean up small spills, recycle, throw away trash, etc. On the playground, play with students or help supervise as they play with friends.
- ✓ **Speak a second language?** We can match you up with students that are learning English, and could benefit from your second language knowledge.
- ✓ **Guest speakers.** Do you have special skill, talent or unique background/training that elementary aged children could benefit from hearing about? Be a guest speaker and share your passion, career or life experience (i.e., Veterans).

Time Commitment:

April - June 2025

Forest Hills Elementary School
13708 Holly Rd, Eden Prairie, MN

SIGN UP!

Contact Principal Joel Knorr at
