Call to Order

The work session was called to order at 6:00 pm by Chairman Craig Miles. The purpose of the work session was to hear from Shannon Priem of OSBA regarding the communications audit that the district participated in through the Bridges project. Ms. Priem said that the district should receive a “gold star” for their efforts in making communication a priority. She stated that several ideas have already been implemented by the district. She was impressed with the district website, the monthly board brief following board meetings, the district recruitment packets/brochures, district newsletters, etc.. She mentioned that a key communicator network should be set up. Superintendent Burrows reported that he will be doing a Monday bulletin to all staff.

Chairman Miles adjourned the work session at 6:55 p.m..
