Rogers Elementary April 2026 Board Report

- **Kids Heart Challenge**-Rogers Elementary students raised money for Kids Heart Challenge and the American Heart Association. Mrs. Schwehr encouraged and worked with our students in support of Heart Health and Living a Healthy Lifestyle. Assembly to celebrate is April 17th. Totals to be announced then!
- **IAR**-We are very proud of our 3rd graders as they worked really hard on the IAR tests. The ice cream truck came on the March 27th to celebrate their efforts for the week!
- **2nd Grade Egg Drop**-On April 10th, Monroe County Electric assisted our students Egg Drop Stem Project by providing the Boom Truck to truly test the students work! Had a couple eggs survive the big drop!
- **Planetarium**-On April 9th, our second and third graders enjoyed learning about the Planets in a Planetarium Dome from Mobile Ed Productions.
