

Piney Woods
Elementary
Applied Skills
Presents our

Cat's Cart
Grant

K-4th Food Lab Fridays

Turning class concepts
into kitchen creations!

Letter F is for
FRUIT salad!

C is for
Cookie

Back to
school
buses!

Mrs. Gomez's
students share
some tasty
thoughts on
our food labs!

5th-6th Grade Applied Skills Food Labs

Food Labs are used in class to teach various skills: following directions, developing math skills and reinforcing concepts taught.

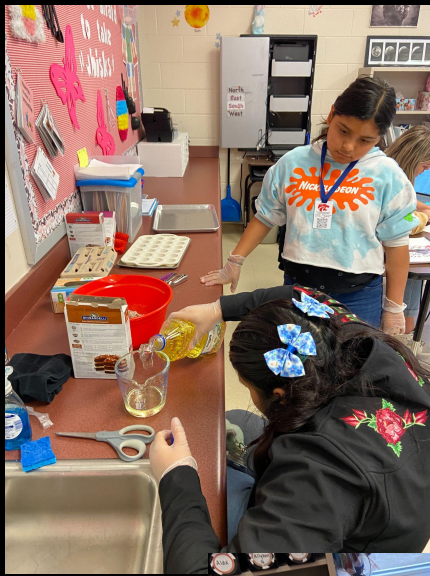

unit on plants

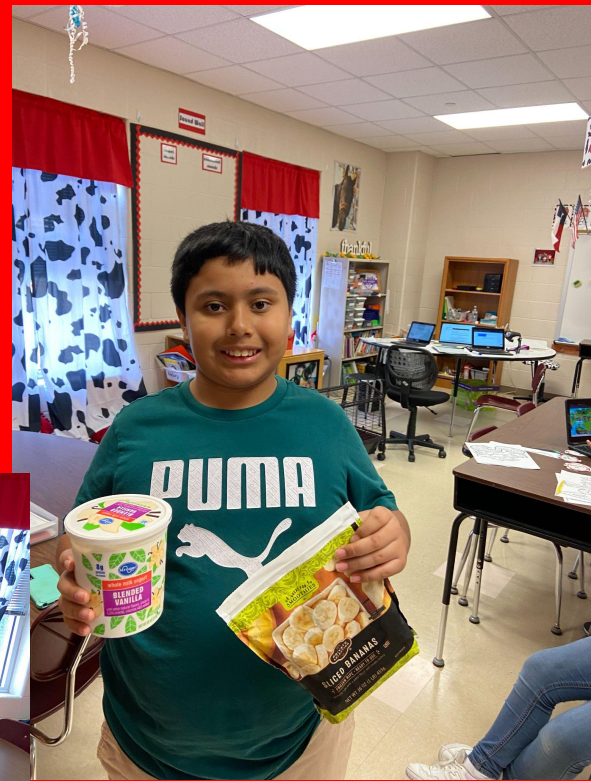

George
Washington
and
Abraham
Lincoln
cookies for
President's
Day

Brownies

Healthy Fruit Smoothies

Cactus cookies after Reading Nobody Hugs a Cactus.

We earned a grant to start Cat's
Cart - sharpening skills and funding our
food labs!

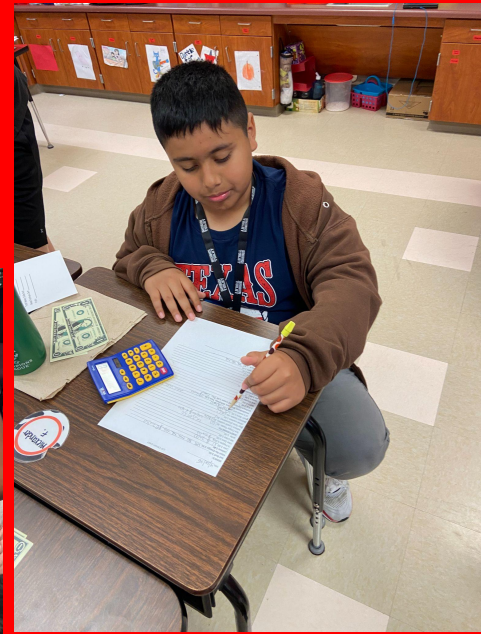

Project's Impact

The students have developed, practiced, and improved their communication and social skills

Students strengthened their math, measurement, and calculator skills through hands-on practice.

Students are leveling up their job-readiness skills by setting up carts, making labels, and creating signs!

Students share their thoughts about the Cat's Cart.

The Applied Skills team
thanks the
SISD Education
Foundation for their
generosity in awarding
our grant.
