Comments:

We have had a productive month inside and out! We have made great progress as we have worked our way throughout the building with some pretty lofty expectations I set for myself and my team. We are in a great position to have a very positive wrap up to summer!

We have been able to coordinate well with summer camps and athletics, summer Tiger club, and high school and elementary summer school programs to continue progressing throughout the building.

We have completed annual fire alarm inspection, gyms and hoist annual inspection, and sprinkler inspections. I have moved the dates up on all of these required annual inspections to allow sufficient time if repairs are needed.

Respectfully Submitted,

AJ Krogh
