Jeremy

*Thanks for calling us for a bid.
I have worked for Northome schools*

*for years. The last time I gave
you a bid, a new guy gave you
a low price. First I didn't think*

*you would take that bid, without
checking on him. When I heard he
was doing it, I should have called
you, because I knew he couldn't*

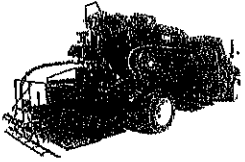

*do it. So I feel a little bad
that being said, I will do some
thing for you. If we do Northome,*

I will go to Indus for \$3900.

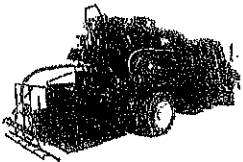

*That is a very good price considering
the price of materials and gas now.*

Take Care Good, Jeremy

Being a big company we buy our products in bulk. We pass the savings on. About 90% of the time our bids are lower than everyone else's. For many years we were the only seal coat company north of St. Cloud. Now they are a dime a dozen. So remember buyer beware!

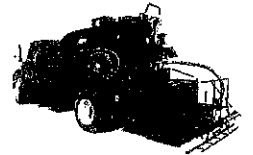

Brighten up your parking lot for summer with bright new strips. Call me and we will come to a price we both can live with.
