Board Meeting Date: September 20, 2016 Superintendent: Dave Valenzuela

Administrator/Staff: Dennis Misner/Ken Klumpp

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Approval of SkillsUSA Planned Course Statement.

Provide history/background information on your proposal:

Ag Leadership is the only planned course statement associated with a CTSO (Career and Technical Student Organization) we currently have approved to use in our district. It does not fit well with the SkillsUSA CTSO, in regards to alignment with NCES codes for future pathways monies.

NCES Code 22101 Leadership

Leadership courses are designed to strengthen students' personal and group leadership skills. Typically intended for students involved in extracurricular activities (especially as officers of organizations or student governing bodies), these courses may cover such topics as public speaking, effective communication, human relations, parliamentary law and procedures, organization and management, and group dynamics.

List the advantages of your proposal:

Three Rivers School District will be eligible for thousands of dollars in the future pathways funding, if this is approved and put into place this year.

List possible disadvantages of your proposal:

We will not be in compliance this year and therefore will not be eligible for pathway dollars next year.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
