**December 7, 2017**

**AGENDA ITEM: 9.22**

**TOPIC: Recommendation to Delete Course: Agri-Entrepreneurship**

**BACKGROUND:**

In preparation for our upcoming transition to a 9-12 high school, the Agriculture Department conducted a review of their current course offerings to determine any needed changes as 9<sup>th</sup> grade moves to the high school.

**PROCESS:**

Through their review of current course offerings, the Agriculture department determined that *Agri-Entrepreneurship* has not received sufficient enrollment to fill a section in the past ten years. As a result of these discussions the Agriculture Department in collaboration with Teaching & Learning recommends elimination of the course *Agri-Entrepreneurship*.

**RECOMMENDATION:** Deletion of existing course *Agri-Entrepreneurship*.
