This position is being requested as a result of a newly registered student requiring individual assistance per the student's IEP. This position will be a terminal position for the 2020-2021 school year.

1 BILINGUAL PARA EDUCATOR – DISTRICT

Due to the growing number of multilingual learners and to be compliant with the ISBE 23 Illinois Administrative Code 228, Sec. 228.30 Instructional Specifications of Programs that student-teacher ratio shall not exceed 90% of the average student-teacher ratio in general education classes for the same grade in that attendance center, there is a need for a bilingual paraeducator who can provide the academic and social/emotional support to our newcomer who is going to be placed in an English speaking classroom for the 2021-2022 school year.
