Total secondary	24	0	5
Total in district	61	17	29

Addition information

Our numbers are down by two this month due to student withdrawals and graduates. There are three referrals in progress one of which is on hold since hearing issues with the child are currently in progress and will determine if referral is appropriate at this time. There is one more referral under review by Cluster to determine if assessment is appropriate.

Please feel free to contact me with any questions.

Respectfully,
Melanie Jones
