## TASB Localized Policy Manual Update 121

### Tornillo ISD

#### **CFB(LOCAL) ACCOUNTING: INVENTORIES**

Revisions regarding the capitalization threshold are based on amended guidance from *GASB Implementation Guide 2021-1*, Question 5.1, regarding the capitalization of assets with individual acquisition costs below the threshold if the assets in the aggregate are significant. The amended guidance applies to reporting periods beginning after June 15, 2023.

#### **CLB(LOCAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT: MAINTENANCE**

Administrative Code rules regarding integrated pest management (IPM) were amended to include district-owned residential property among the district facilities subject to the IPM requirements. Although the changes to the rules add "residential property" to the buildings and grounds subject to IPM requirements, it is our understanding from the Texas Department of Agriculture that this inclusion is intended to apply only to district-owned residential property that is primarily used as student housing. As requested by TDA, revisions include such residential property among the district facilities subject to the district's IPM program.

#### **CRF(LOCAL) INSURANCE AND ANNUITIES MANAGEMENT: UNEMPLOYMENT INSURANCE**

There are no significant revisions to the text on reasonable assurance; however, the policy template has been updated to accommodate the new adoption date function in Policy Online®. This policy is being issued at no charge to the district.

#### **CVA(LOCAL) FACILITIES CONSTRUCTION: COMPETITIVE BIDDING**

Policy BJA(LOCAL) authorizes the superintendent to delegate responsibilities to other employees of the district as permitted by law; thus, it is not necessary to include a reference to the superintendent's designee at Specifications. In addition, the policy template has been updated to accommodate the new adoption date function in Policy Online®. This policy is being issued at no charge to the district.

#### **CVB(LOCAL) FACILITIES CONSTRUCTION: COMPETITIVE SEALED PROPOSALS**

As noted above, policy BJA(LOCAL) authorizes the superintendent to delegate responsibilities to other employees of the district as permitted by law; thus, it is not necessary to include a reference to the superintendent's designee at Specifications. In addition, the policy template has been updated to accommodate the new adoption date function in Policy Online®. This policy is being issued at no charge to the district.

#### **DEA(LOCAL) COMPENSATION AND BENEFITS: COMPENSATION PLAN**

To eliminate the possibility of confusion about the frequency of pay, we recommend replacing *bimonthly* with the more specific and widely used *semi-monthly*. Other revisions are recommended for clarification and consistency with policy style.

The [Legal Issues in Update 121](#) memo describes common legal concerns and best practices specific to this policy's topic.

#### **FD(LOCAL) ADMISSIONS**

Recommended revisions to this policy at Transition Assistance reflect the repeal and replacement of an Administrative Code provision regarding awarding credit to a student who is homeless or in substitute care. Under the new rule, a district must adopt a policy to ensure credit has been awarded appropriately prior to enrollment. Other changes provide greater flexibility for the district with regard to requiring proof of residency by removing specific requirements and referring to administrative regulations.

**Note:** This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyberbullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

---

<b>Bullying Prohibited</b>	The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.
Examples	Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.
<b>Minimum Standards</b>	In accordance with law, the Superintendent shall develop administrative procedures to ensure that minimum standards for bullying prevention are implemented.
<b>Retaliation</b>	The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.
Examples	Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
<b>False Claim</b>	A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.
<b>Timely Reporting</b>	Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.
<b>Reporting Procedures</b>	To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.
Student Report	

Employee Report	Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.
Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Periodic Monitoring	The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents.
<b>Notice of Report</b>	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.
<b>Prohibited Conduct</b>	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
<b>Investigation of Report</b>	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
<b>Concluding the Investigation</b>	<p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p>
<b>Notice to Parents</b>	If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

<b>District Action</b>	
<i>Bullying</i>	If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.
<i>Discipline</i>	<p>A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.</p> <p>The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.</p>
<i>Corrective Action</i>	Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.
<i>Transfers</i>	The principal or designee shall refer to FDB for transfer provisions.
<i>Counseling</i>	The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.
<i>Improper Conduct</i>	If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.
<b>Confidentiality</b>	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.
<b>Appeal</b>	A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.
<b>Records Retention</b>	Retention of records shall be in accordance with CPC(LOCAL).
<b>Access to Policy and Procedures</b>	This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

## (LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue, bold font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

---

**Note:** While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.
