## Elementary Principal's Report

### Reading Corps Move

Last month we highlighted some special readers who graduated from our 'Read Right' program. This month we would like to share appreciation for our Reading Corps program. These students master their letter names, sounds, and phonics skills and then move on to additional fluency and comprehension work in the read right program if still needed. Lori and Kate, our wonderful tutors work tirelessly with their students and we have seen great improvement!

Thank you to them for their hard work in moving locations this past school break into their new tutoring space off the library.

### Secretary Appreciation

This Christmas season I want to extend publicly in this report my appreciation to Miss Tara and Miss Kaija in our office. Their tireless work during the holiday season helps our school run smoothly and they are so appreciated. From reception, communication, attendance, event coordination of our concerts and other events, helping students that need a break, or picked up when sick or an 'owie'.....you make things run and I thank you from the bottom of my heart. An additional item that is appreciated by all are the annual Christmas Gift help we organize helping on average 100 families yearly. Finally, thank you for

training as well as rostering and setting up our bus software interface with Safeway for our district.

**Ticket to Ride?**

Get your ticket and hop aboard! This year we will be watching the Polar Express as an end of year reward for the kids. Ornament decorating and a pajama day will round out the celebration. Also on this special day, swing in for our littlest learners 4K Christmas Concert, and to see a special someone visit...we hear he wears Luck colors, but we are very excited to see him nonetheless!
