### Action Plan for Building and PLC Team Goals:

PLC Team Meetings - Mondays      Inservice - January & February

- Improving attendance procedures
  - current attendance rate 88.75%
  - average unexcused absences 8.75%
- Increasing student engagement, participation and resiliency by enhancing formative feedback practices and Tier 1 support
  - [Daily Differentiation for Effective Instruction - PLC Teams](#)
- Structuring a scheduled homework support program before and after school for MS and HS students
  - included goal in our District Title I application
- Increasing and improving restorative practices in response to student behavior among all staff members
  - creating professional development for inservice
  - developing a building wide framework for behavior intervention and restorative practices
- Enhancing WI Forward and ACT test preparation practices
  - creating professional development to introduce and enhance ACT prep curriculum
  - developing a schedule to incorporate ACT prep into our current coursework
- Utilizing PLC teams efficiently to target and measure goal improvement and student growth (all content areas)
  - review and map course/grade Essential Standards
  - identify and utilize Tier 1 differentiation and instructional practices for each content area (DPI)
  - identify goals that support literacy in all content areas:
