Guaranteed & Viable Curriculum

Beginning last school year our departments have been working collaboratively with Berrien RESA to create a more guaranteed and viable curriculum. Over the last 2 years our teachers have worked diligently on the following:

- Prioritizing Standards
- Updated Pacing Guides
- Creating Standards Based Formative & Summative Assessments

NWEA Math 6th – 8th

The following bar graph shows grade level growth from our Fall testing to our Winter testing.

NWEA Math 6th – 8th

About this chart

The Quadrant uses MAP Growth Norms to contextualize growth and achievement. It can help you decide which student groups to focus on or where to allocate resources.

Achievement percentile. A percentile ranking based on MAP Growth Norms for achievement in one testing term. The graph shows the median (middle) percentile for a group of students.

Norm. The 50th percentile. Represents typical achievement/ typical growth based on MAP Growth Norms.

NWEA Reading 6th – 8th

The following bar graph shows grade level growth from our Fall testing to our Winter testing.

NWEA Reading 6th – 8th

- PBIS Rewards Program
 - HERD Hut
- HERD Huddle (Monthly)

New Buffalo Middle School

Wellness Team Initiatives

- **Bi-Weekly At-Risk Student Meetings**
 - School Counselor, School Social Worker, Student Advocate, Principal.
- **Student Support Team**
 - Every Thursday our Wellness Team, Teachers, & Principal meet to develop behavioral and academic plans for struggling students.
- **Xello**
 - Program puts the student at the center of their planning experience. Students document their journey as they build self-knowledge, explore post-secondary options, create plans, and continually reassess as they take in new knowledge, skills, and experiences.
- **No Bullying Schools**
 - Bully Task Force Meetings
 - No Bullying Schools Reporting App
 - 4 incidents have been reported
 - All deemed as Peer Conflict
