

**Denton Independent School District**  
**C.H. Collins Stadium Renovations Purchase**  
March 2, 2021

**SUMMARY:**

This item requests approval of the quote from Hellas Construction, Inc. in the amount of \$627,689.00 for the proposed C.H. Collins Stadium renovations.

**BOARD GOAL:**

Growth & Management – Demonstrate effective and efficient management of district resources

**PREVIOUS BOARD ACTION:**

None

**BACKGROUND INFORMATION:**

The current turf layer at CH Collins was replaced in the Summer of 2013 and has since reached end of life. Installation of the Cushdrain is a necessary component of the field surface to assist in preventing concussions. There are also drainage concerns at CH Collins. When there is a significant amount of rain, the northwest corner and the southeast corner of the existing field do not drain well. Sand and dirt come up through the turf creating small sink hole areas on the field. The proposal provided by Hellas Construction, Inc., includes a \$50,000.00 drainage repairs allowance.

**SIGNIFICANT ISSUES:**

The goal posts to include mounting plates will also be replaced with the project. The current goal posts will be moved to another Denton ISD athletic field. The extent of the drainage issues will not be fully known until the current turf is removed from the field allowing for a full review of the existing draining system. A separate purchase order for any costs above the \$50,000.00 allowance within this proposal will be issued in conjunction with the approval of this proposal by the Board of Trustees. The C.H. Collins Stadium renovations will be purchased through a Texas Local Governmental Purchasing Cooperative BuyBoard contract. This purchase is being brought for approval in accordance with the District's CH (local) policy.

**FISCAL IMPLICATIONS:**

The cost will be borne through the assigned fund balance in the amount of \$627,689.00.

**BENEFIT OF ACTION:**

The approval of this purchase will allow the District to ensure that the main competition field has a safe playing surface and is ready for the 2021 football season.

**SUPERINTENDENT'S RECOMMENDATION:**

It is recommended that the quote from Hellas Construction, Inc. in the amount of \$627,689.00 for the proposed C.H. Collins Stadium renovations be approved.
