Subject: Closing Open Enrollment for Grades 9, 10 and 11 for 2025-26

Re: Summary Information for School Board Review

The purpose of this memo is to recommend that the school board take action to close open enrollment for grades 9, 10 and 11. The recommendation is intended to maintain appropriate class sizes and ensure a high-quality learning experience for all students. It is recommended that this would take place effective Dec. 9, 2025. This action is permitted under Minnesota's Open Enrollment law and is being taken because these grade levels have reached capacity.
