SUBJECT: Update of Policy 4300 Promotion and Retention on a first read

Our current policy 4300 Promotion and Retention was last approved by the Board in September of 2015. The purpose of this update is to align the policy with the current Utah codes/statutes. The current policy does not include definitions. This policy has been reformatted to align with our new policy format. An update to this policy has been requested by our Legal Department. We are seeking Board approval of this policy on a first read.
