MAP Data

HB3 BOARD GOALS:

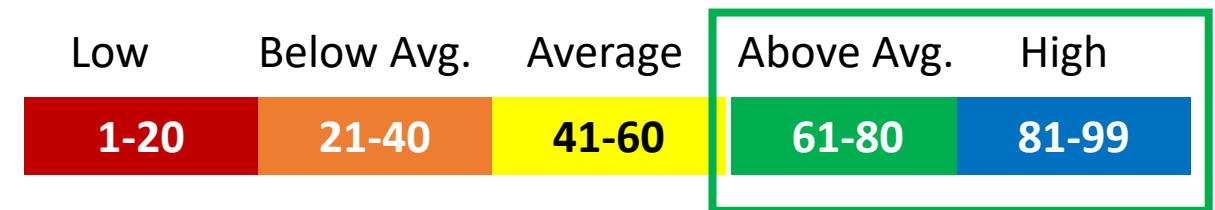

Early Childhood Literacy & Math and College and Career Military Readiness (CCMR)

What is the NWEA MAP Growth Assessment?

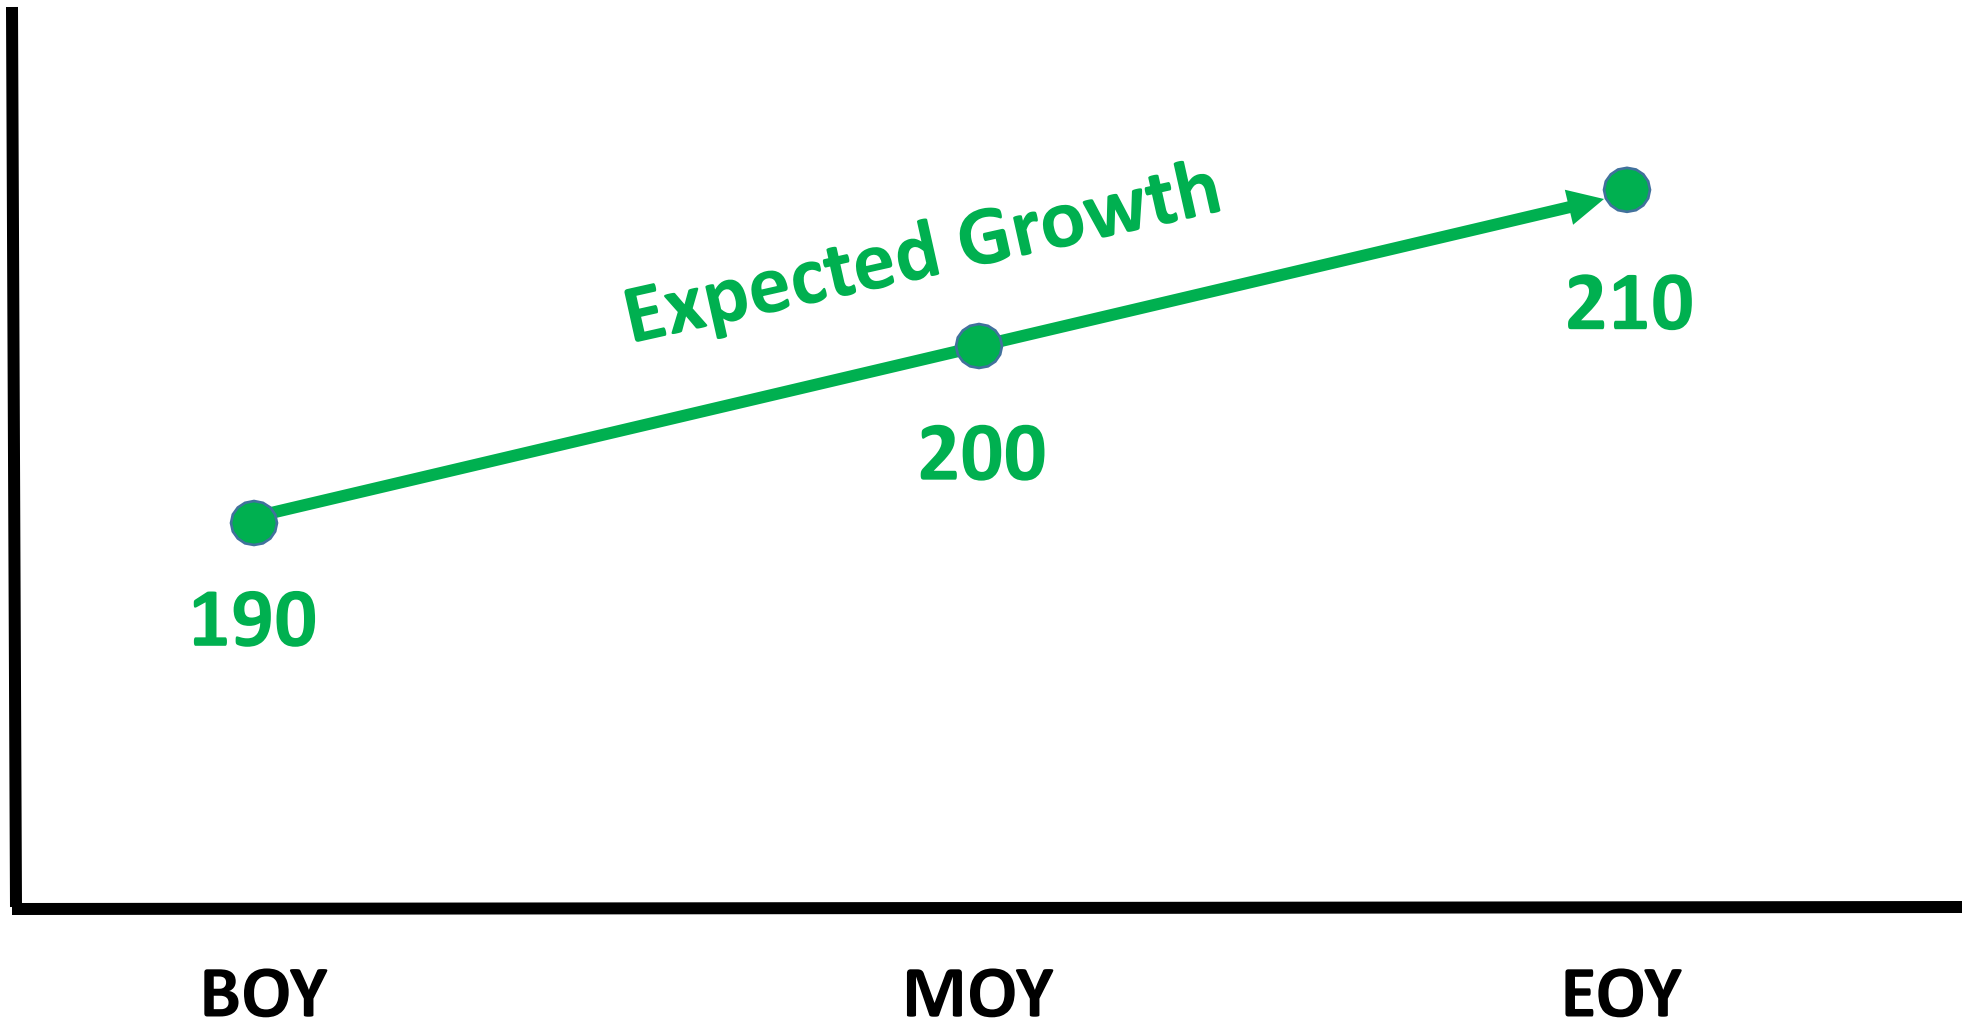

- Nationally normed standardized achievement test
- Measures what students know
- Informs teachers about what students are ready to learn next
- Computer Adaptive Test
- Reports a RIT score and a national percentile
- Taken 3 times per year – BOY, MOY, EOY
- Used to measure both achievement and growth

MAP Percentile Groups

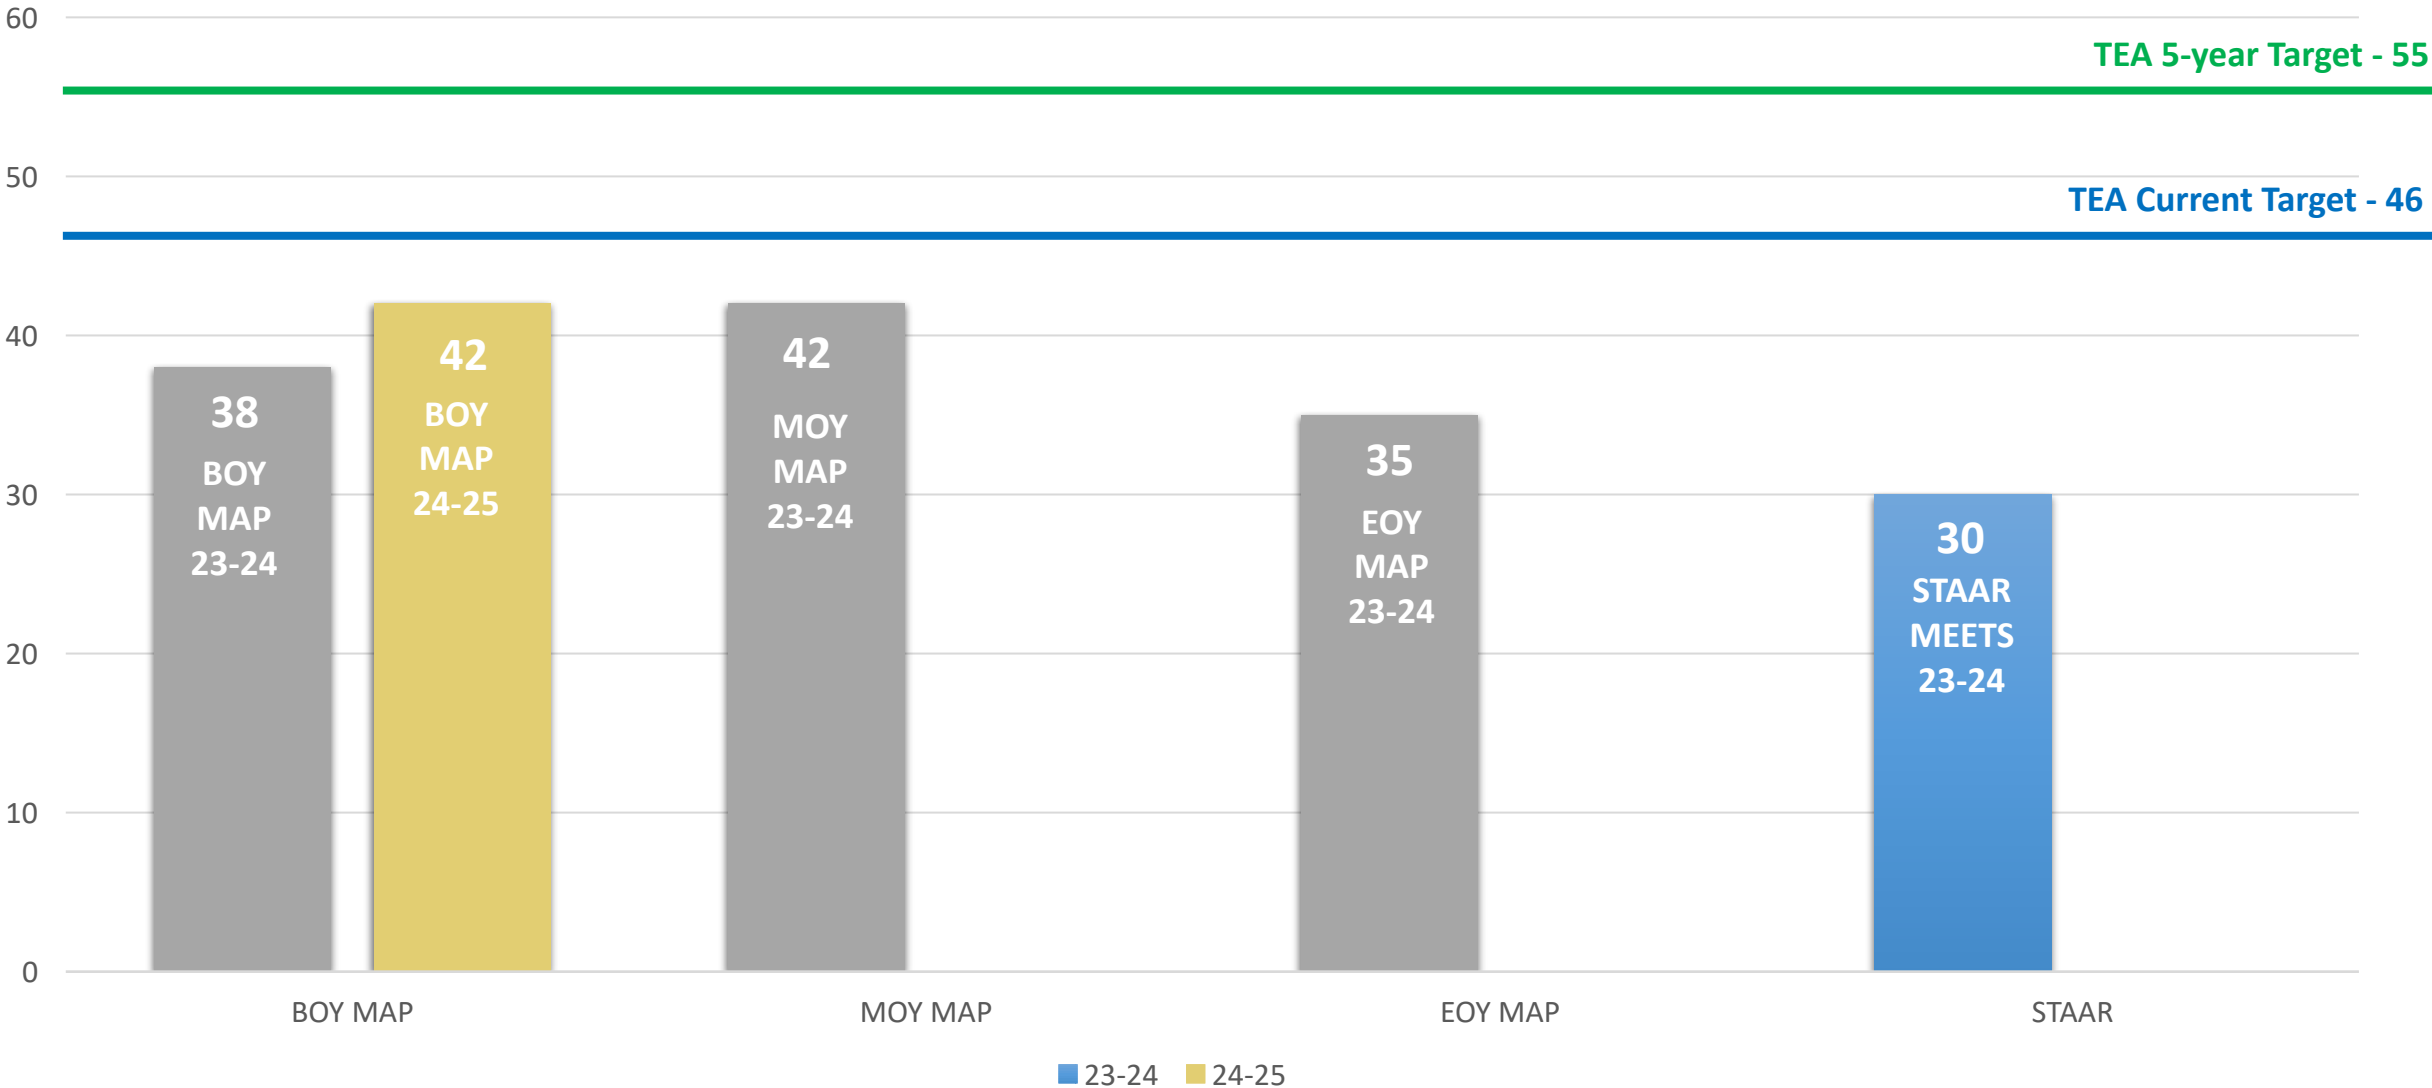

MAP 65th Percentile → STAAR MEETS

RIT Score @ 61st Percentile

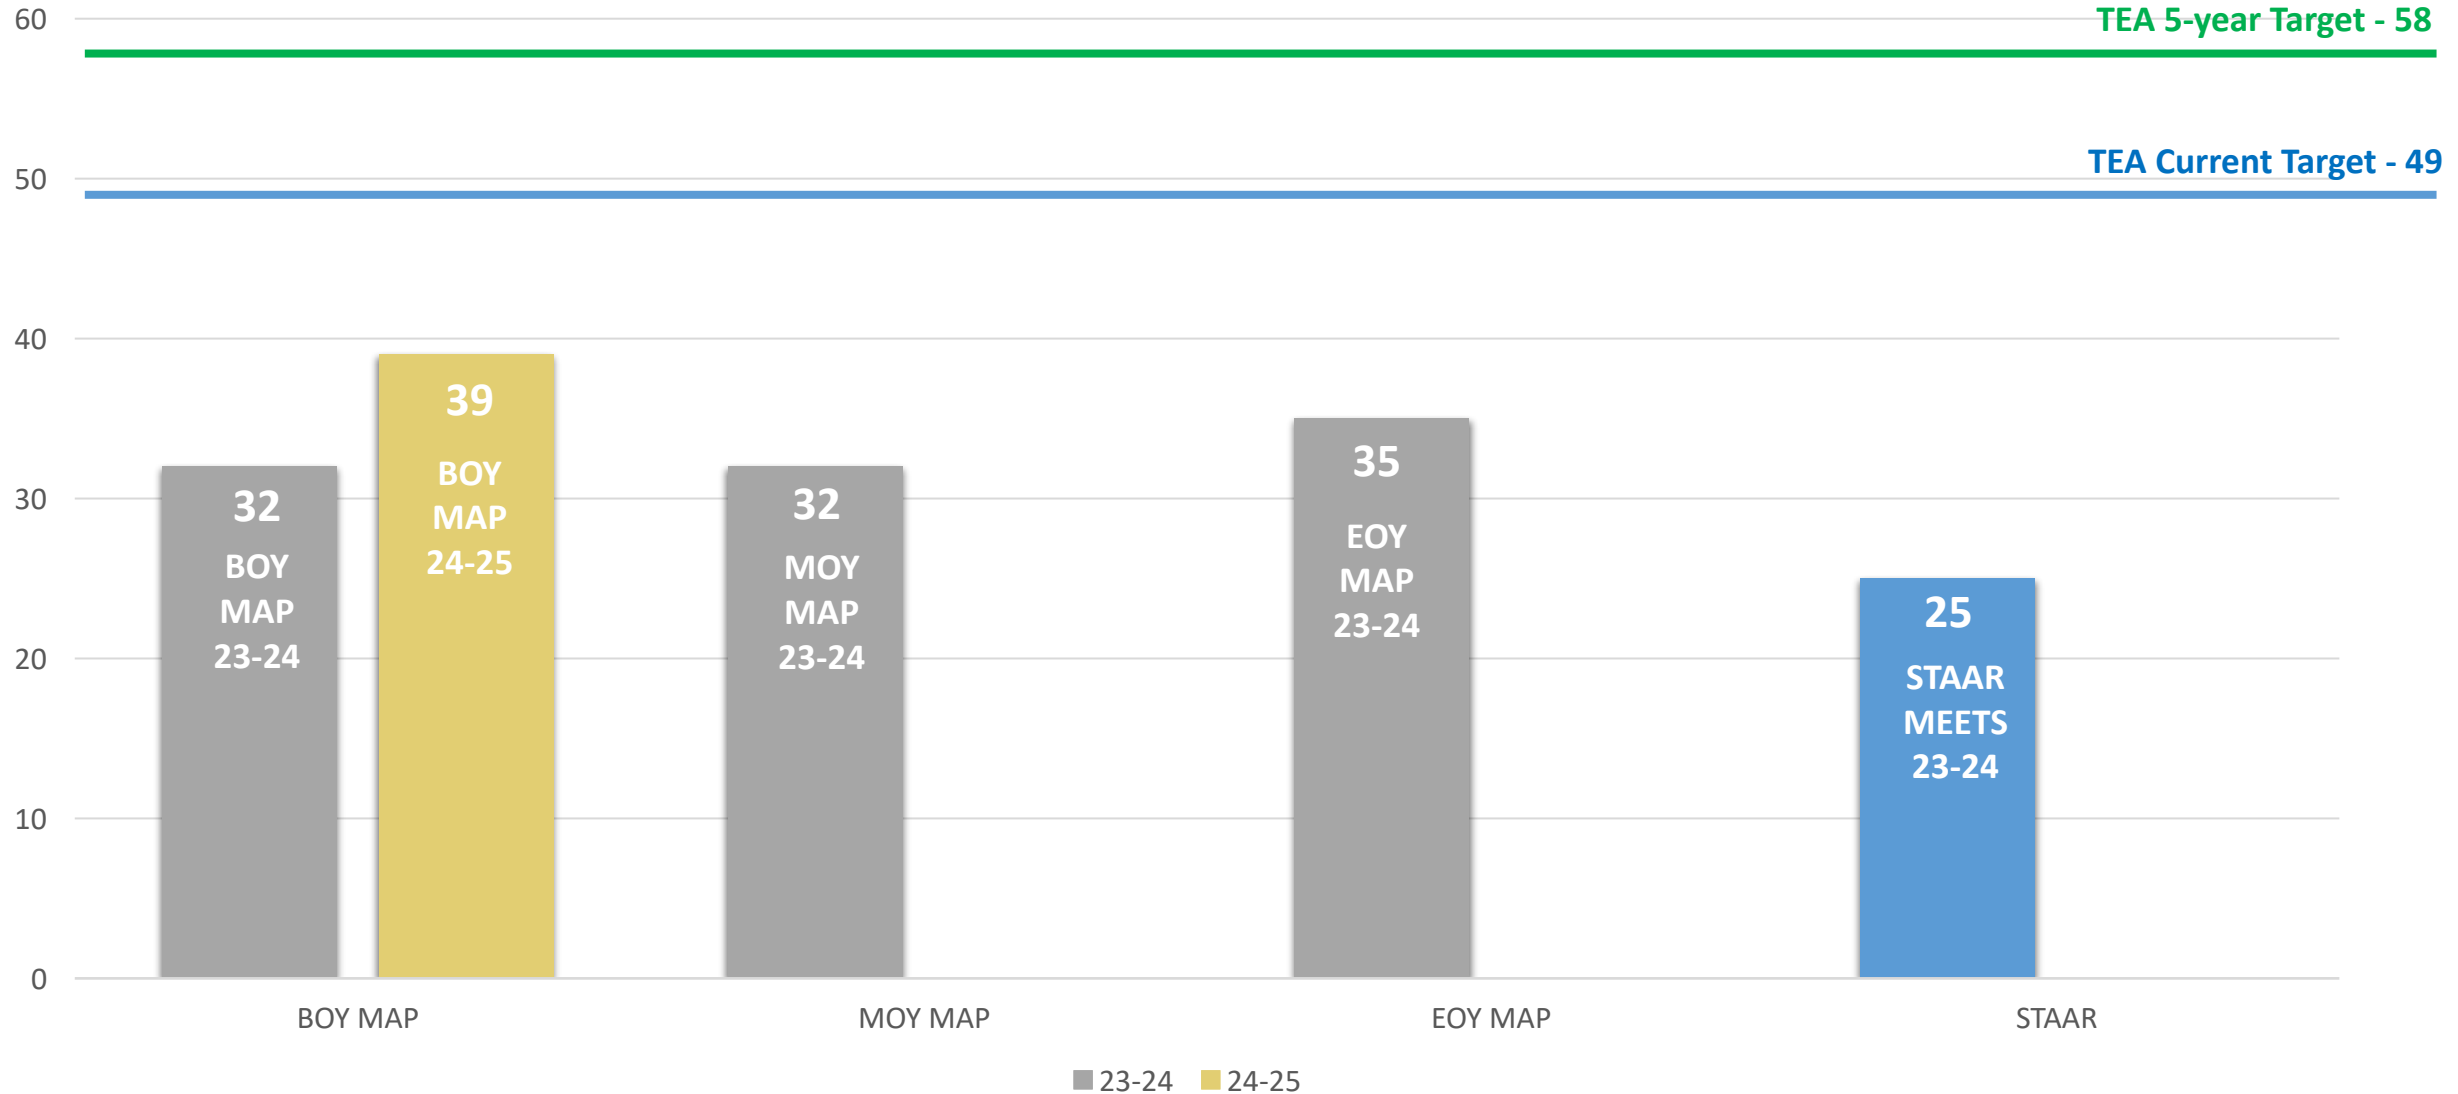

3rd Grade Reading

% of students scoring Above Average or High

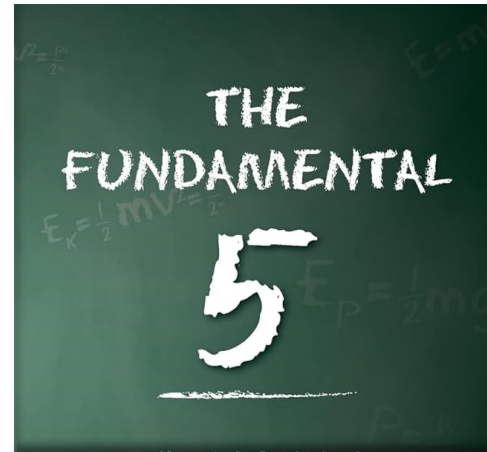

3rd Grade Math

% of students scoring Above Average or High

QUESTIONS

The word "QUESTIONS" is the central focus, rendered in a bold, white, sans-serif font with a slight 3D effect. It is set against a vibrant, multi-colored background of overlapping question marks and geometric shapes. The colors used include bright blue, yellow, orange, red, green, purple, and pink. The question marks and shapes are scattered around the text, some appearing to be behind it and others in front, creating a sense of depth and visual complexity. The overall composition is horizontal and centered on a plain white background.
