Regular Meeting    November 18, 2024

**FOR DISCUSSION:**

**Subject:    Referendum Results**

The purpose of this agenda item is to openly discuss the plans moving forward following the apparent success of the question on the sale of \$29.7 million in building bonds and the failure of the limiting rate question. Among the topics to be discussed will be:

- Life Safety Bonds
- Tentative Timelines
- School Calendar Adjustments
- Staffing
- FY2025 Budget Implications

There will likely be other topics you wish to discuss and I will do my best to respond accurately at the meeting. I believe this will be the first of many public discussions on the projects ahead.
