May 8, 2019

Dear Board Members,

Greetings from Glendale. Spring has arrived at the colony. Colony members are very busy readying farm equipment, getting the garden ready for planting, spring cleaning and finishing the new chicken barn.

The students have been busy as well. They continue to put forth their best effort in all their subjects to assure they are on track for the following school year.

The monthly visits from the GNP rangers ended at the beginning of the month. The students completed a cumulative activity on the night sky by creating a winter count representing each lesson they did with Ranger Sarah. The rangers did an excellent job of incorporating native culture into each lesson.

We completed the SBAC testing with 100% daily attendance and are very happy that there will be no make-up tests.

Travis Wipf is our only 8th grade student graduating this year. The graduation ceremony will take place on Thursday, May 23rd, @ 2:00. You are welcome to attend if possible.

Thank you for your support.
Your partners in education,

Ms. Show and Mrs. Christoferson
