Subject:

Consider Approval of the Adoption of Prevailing Wage Rates for District Construction Projects

Background:

Texas Government Code Section 2258.01 and 2258.021 (CV Legal) requires that the Board determine and adopt general prevailing wage rates for public works (construction). PBK Architects completes a prevailing wage rate survey of the Houston area K-12 market every three years and we have historically used this study as our adopted prevailing wage rates. The prevailing wage rates to be adopted are effective as of June 2025 and will be included in all construction related requests for proposals through June 2028.
