Good afternoon! We are pleased to be able share with you that we were able to fund, or partially fund **5 projects** that were submitted totaling **\$5,199** this year! Below is a listing of the projects and the amounts we were able to fund.

We wish we could be able to personally meet and thank each of the teachers who we are able to assist this year. However with our delay getting this project completed and the information back to you, we know that will be difficult this year. If there is still is an opportunity to meet with and recognize those teachers please let us know and we'll try to make every effort to attend..

Our check of **\$5,199** payable to Preston School District will be processed and sent out in the next few weeks. Please distribute the funds as per the below listing.

You may reach me at (435)458-2351 or [cody.mcdermott@nucor.com](mailto:cody.mcdermott@nucor.com) if you have any questions.
