 Subject: Professional Development Agreement

Through a needs assessment survey, classroom practices/student engagement are two areas identified as a need for the district to provide support to our staff. The September 30th Teacher Institute is a great day to provide staff with a learning fair to choose topics to receive professional development to meet their individual needs.

The September 30th professional development will be a blend of professional development workshops offered by professionals recognized by the ROE, and Harlem's PD Cadre, Administrators, and other Education Staff at Harlem. Through the Regional Office of Education, outside presenters will be scheduled to present on the proposed topics, the ROE will pay the professionals, and we will pay the ROE. The cost of outside presenters can be viewed in the table below:
