Administrative Recommendation	The Crosby ISD Administration recommends the approval of the purchase of IXL Learning, Prekindergarten through twelfth grade, in the amount of \$78,925.00.
Authority for this Action	<p>Board Policy CH (Local):</p> <ul style="list-style-type: none">• The Board delegates to the Superintendent or designee the authority to make budgeted purchases for goods or services. However, any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
Goal/Objective Addressed	Crosby ISD will be a good steward of taxpayers' money.
Background	<p>IXL is personalized, computer-based learning in mathematics and social studies. IXL provides comprehensive K-12 curriculum, individualized guidance, real-time analytics, and meets the unique needs of each learner. IXL creates a personalized action plan for each student. With these recommended skills, teachers have a simple way to close learning gaps and facilitate meaningful progress. IXL offers personalized skill recommendations based on what each student has been practicing, so they can grow from where they are.</p> <p>Students access IXL math and social studies content via the internet. Students are assigned skills by teachers. Utilization of the system's diagnostic data helps the teacher determine the correct path for students when acquiring skills. On average, students should spend about 15 – 20 minutes each day on IXL to reach proficiency in one skill.</p>

	<p>Students are permitted to access the IXL platform while at school and away from school.</p> <p>IXL serves as a supplemental resource for students and teachers and supports skill practice and mastery as evidenced by student progress and growth reports.</p> <p>IXL mathematics in grades 4-11 has been added to the HB 1416 Ratio Waiver List for the 2025 - 26 school year.</p>
Staffing Implications	N/A
Budget Information	<p>78,925.00</p> <p>This purchase will be funded from the district operating budget.</p>
Impact of this Action	A growing body of research points to the positive impact of supplemental materials can have on student learning. The Texas Education Agency defines high-quality materials as those that ensure full coverage of Texas Essential Knowledge and Skills (TEKS), align with research-based instructional strategies in each subject area, support all learners, and include: progress monitoring through embedded, aligned assessments, implementation support, and teacher- and student-facing resources needed for instruction.
