Re: 2013 Bond – Phase 3 Design Development Update

We would like to present the plans, designs, and tentative budgets for the Phase 3 schools at the next Building and Site Committee meeting on Monday, November 2, 2015.

Plante Moran Cresa, along with the architects and construction managers, will present the detailed information for summer 2016 construction projects. As we have discussed, we are finding that the current construction market is impacting our estimated costs. We will review the budgets and our options at this meeting.

Just as a reminder, we have listed the schools and the team for each of the projects below. As always, please let me know if there are any questions or concerns.
