Standards for Accreditation

Section Number	Section Title
● 3-A.6	Operating Policies, Procedures, and Training

Rationale for Waiver

The Excel Center was granted a waiver for A.C.A. 6-13-601 et seq. with the original Charter application approval; however, the associated standard was not included in the original waiver request. This waiver request will correct an administrative oversight to include the standard in the waiver as it relates to required hours for board member training.

Budget projections that include the costs associated with the amendment request and demonstrate that the approval of the request will not place an undue financial burden on the charter.

There is no anticipated budget impact related to this request.
